Pedernales Falls State Park

Lose yourself in the beauty and solitude of the Texas Hill Country.

With miles of trails leading to some of the most tranquil spots in the Hill Country, Pedernales Falls State Park offers a real place to get away from it all.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart (32 oz.) of water per hour of activity.

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET. When mountain biking, check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.

YOU MAY NOT BE ABLE TO CONNECT. It's a good idea to take along a cell phone and GPS unit, but don't count on them.

WEATHER CHANGES QUICKLY. Check forecasts before you leave home and prepare for changes in the weather. Be aware of changes in the river - if you see the water rising or turning muddy, seek higher ground immediately.

FOR EMERGENCIES, PLEASE CALL 9-1-1.
