Pedernales Falls State Park

Lose yourself in the beauty and solitude of the Texas Hill Country.

With miles of trails leading to some of the most tranquil spots in the Hill Country, Pedernales Falls State Park offers a real place to get away from it all.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart (32 oz.) of water per hour of activity.

TELL OTHERS WHERE YOU’LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET. When mountain biking, check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.

YOU MAY NOT BE ABLE TO CONNECT. It’s a good idea to take along a cell phone and GPS unit, but don’t count on them.

WEATHER CHANGES QUICKLY. Check forecasts before you leave home and prepare for changes in the weather. Be aware of changes in the river - if you see the water rising or turning muddy, seek higher ground immediately.

FOR EMERGENCIES, PLEASE CALL 9-1-1.

TRAIL ETIQUETTE

Trash your trash. Keep the park natural. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick and more likely to cause harm to people.

Take only memories and pictures. Please don’t disturb or remove any of the park’s plants, animals or artifacts.

Don’t Pocket the Past. Help preserve Texas heritage. Leave artifacts where you find them and report their location to a ranger.

No horsing around. Horseback riders must stay on trails marked for horses. Everyone yields to horses following proper trail etiquette.

Keep pets on leashes to keep them safe while protecting wildlife.
