**POINTS OF INTEREST**

1. **SCENIC OVERLOOK**
   
   \(29.6344° - 99.1969°\)

   Enjoy panoramic views from a resting bench after ascending to one of the highest peaks of the natural area.

2. **HISTORIC SPRING BARN**
   
   \(29.6287° - 99.1771°\)

   Spring Barn's distinctive gambrel roof is typically associated with dairy farming and hay storage.

3. **HERITAGE GARDEN**
   
   \(29.6277° - 99.1810°\)

   Discover a collection of agricultural implements that will remind us of our ranching heritage.

4. **COMANCHE BLUFF**
   
   \(29.6169° - 99.1714°\)

   Enjoy the view of West Verde Creek from atop this limestone bluff.

Hill Country State Natural Area

Explore the natural wonders of this remote Hill Country wilderness.

Tranquil creek bottoms, rugged canyons and scenic plateaus invite you to the 40 miles of trails at Hill Country State Natural Area. You’re sure to be intrigued as you discover the diverse ecosystems and cultural history that await on the adventure ahead.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Bring a quart of water per hour of activity for yourself, and remember your pets need water, too.

TELL OTHERS WHERE YOU’LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET. Protect yourself when mountain biking or horseback riding. Check with headquarters to match the trail to your skill level.

CHECK FOR CLOSURES. Check prior to arrival. Trails and backcountry campsites may be closed due to wet conditions or poor weather.

YOU MAY NOT BE ABLE TO CONNECT. It’s a good idea to take along a cell phone and GPS unit, but don’t count on them.

TRAIL ETIQUETTE

Trash your trash. Keep the park natural. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick and more likely to cause harm to people.

Take only memories and pictures. Please don’t disturb or remove any of the park’s plants, animals, fossils, or artifacts.

Keep pets on a leash. Keeping your pet under control protects other visitors, wildlife and your pets.

Tell us about your caches. Please check with park HQ before placing geocaches within the natural area.

Practice trail courtesy. Remain on designated trails and be respectful of other trail users. Bikers yield to hikers; everyone yields to horses.
