South Llano River State Park

Explore the southwestern edge of the Hill Country, where there’s something for everyone.

Situated on the pristine spring-fed South Llano River, the park offers several miles of hiking and biking trails, water-based recreation and wildlife watching. Formerly a working ranch, South Llano River State Park is home to one of the largest Rio Grande turkey roosts in Central Texas.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you’re on the trail. Bring a quart (32 oz.) of water per hour of activity.

TELL OTHERS WHERE YOU’LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET. When mountain biking, check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.

YOU MAY NOT BE ABLE TO CONNECT. It’s a good idea to take along a cell phone and GPS unit, but don’t count on them.

CHECK FOR TRAIL CLOSURES. Certain trails may be closed during prescribed burns or for other resource management work. Daily closures to protect the Rio Grande Turkey roosting areas occur October through March, 3 p.m.-10 a.m.

FOR EMERGENCIES, PLEASE CALL 9-1-1 OR THE SHERIFF AT (325) 446-2766.

TRAIL ETIQUETTE

Trash your trash. Keep the park natural. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick and more likely to cause harm to people.

Don’t pocket the past. Help preserve Texas’ heritage. Leave artifacts where you find them and report their location to a ranger.

Take only memories and pictures. Help preserve nature. Leave all plants and animals in the park.

Keep pets on leashes for their safety, and to protect wildlife.

Campfires are permitted only in designated rings and not in the primitive camping area due to potential for ground scarring and wildfires.
