STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart of water per hour of activity.

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

YOU MAY NOT BE ABLE TO CONNECT. It's a good idea to take along a cell phone and GPS unit, but don't count on them.

POTENTIALLY HARMFUL PLANTS AND ANIMALS MAY LIVE HERE. Staying on the trail paths makes them easier to see. Do not approach wildlife!

FOR EMERGENCIES, PLEASE CALL 9-1-1.

Trash your trash. Pack out all of your trash and Leave No Trace.

Take only memories and pictures. Please don't disturb or remove any of the park's plants, animals or artifacts.

Don't Pocket The Past. Help preserve Texas heritage. Leave artifacts where you find them and report their location to a ranger.
