Daingerfield State Park

Discover a Pineywoods paradise.

Built in the 1930s by the men of the Civilian Conservation Corps (CCC), Daingerfield State Park is a place of legacy and adventure. Here, 100 foot tall pine trees tower over the park’s spring-fed lake and native stone structures. Explore this natural beauty on over three miles of hiking trails.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you’re on the trail. Bring a quart of water per hour of activity.

TELL OTHERS WHERE YOU’LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET. When mountain biking, check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.

YOU MAY NOT BE ABLE TO CONNECT. It’s a good idea to take along a cell phone and GPS unit, but don’t count on them.

POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE. You’ll see them more easily if you stay on trails.

FOR EMERGENCIES, PLEASE CALL 9-1-1.

TRAIL ETIQUETTE

Trash your trash. Keep the park natural. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick and more likely to harm people.

Don’t Pocket the Past. Help preserve Texas heritage. Leave artifacts where you find them and report their location to a ranger.

Take only memories and pictures. Please don’t disturb or remove any of the park’s plants, animals or artifacts.

Keep pets on leashes for their safety, and to protect wildlife.

We need to know about your caches. Please check with park HQ before placing geocaches within the park.
