STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart of water per hour of activity.

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET. When biking, check with park HQ to match the ride to your skill level. Wear a helmet to protect yourself in case of a crash.

CHECK FOR TRAIL CLOSURES. Certain trails may be closed during wet conditions or for other resource management work.

POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE. You'll see them more easily if you stay on the trails.

FOR EMERGENCIES, PLEASE CALL 9-1-1.

Don't Pocket The Past. Help preserve Texas heritage. Leave artifacts where you find them and report their location to a ranger.

Keep pets on leashes to keep them safe, while protecting wildlife.
