This “scorecard” is to help you keep record of the time you spend on public hunting lands under your Annual Permit. By making an entry on the scorecard each time you visit a unit, it will hopefully make the job of completing the post-season public user survey easier, and the information will be more accurate.

The importance of the post-season public user survey cannot be over-emphasized. If you receive the survey at the end of the season, please complete the questionnaire as accurately as possible.

It is very important that you identify the unit number of each unit visited, and the date(s) you visited each unit.

**OTHER ACTIVITIES**

Do NOT include trips where hunting was the primary reason for the trip.

<table>

**INSTRUCTIONS:**

1. Report activity under your Annual Permit only.
2. Only report your activity – not that of friends, relatives, etc.
3. Indicate species hunted and number harvested for each unit.
4. List other activities in which hunting was not the primary reason for the trip.

**TEXAS PARKS AND WILDLIFE DEPARTMENT**

Executive Director  
David Yoskowitz, Ph.D.  
Wildlife Division Director  
John Silovsky  
Director, Private Lands and Public Hunting Program  
Kevin Mote
2023-2024
PUBLIC HUNTING LANDS
MAP BOOKLET

September 1, 2023 – August 31, 2024

This Map Booklet is provided to each person who purchases either a $48 Annual Public Hunting (APH) Permit or a $12 Limited Public Use (LPU) Permit. The Map Booklet specifies the rules and regulations, season dates, and bag limits which govern the use of these lands. A Disclaimer and Waiver of Liability, which applies to the permittee and any minor-aged youth under the permittee’s supervision, is contained in this booklet and is an extension of these permits. All previous editions of this booklet are obsolete.

Acknowledgments

The Public Hunting Lands Program would not be possible without the support and confidence of many people. Texas Parks and Wildlife Department would like to extend a special thanks to many groups whereby without their contributions of land donations, time and money, this Public Hunting Program would not be available.

Upper Trinity Regional Water District
U.S. Army Corps of Engineers
U.S. Bureau of Reclamation
U.S. Fish and Wildlife Service
U.S. Forest Service
Since 1987, the Annual Public Hunting (APH) Permit has offered the opportunity to participate in a variety of inexpensive, family oriented outdoor recreational activities including hunting for a multitude of wildlife species, fishing, nature watching, camping and other activities.

Today’s Public Hunting Program includes over a million acres located throughout Texas. This Map Booklet contains information on property owned by Texas Parks and Wildlife Department (TPWD) as well as acreage leased by the department from other state and federal agencies, forest products industries, and other cooperating private landowners. The Public Dove and Small Game Hunting Areas are included in this booklet.

Access is provided by two types of annual permits: the $48 Annual Public Hunting (APH) Permit which allows full privileges including hunting, fishing, camping, hiking and other recreational uses and the $12 Limited Public Use (LPU) Permit which also provides access for all other recreational activities except hunting. See the schedule for recreational use on pages 150-153.

IMPORTANT: For the most up-to-date information on changes to the public hunt schedule, access to and availability of department public lands and other important public hunt related notifications, follow us on Facebook at www.facebook.com/TPWDhunt or sign up for e-mail updates. Individuals can also call 512/389-4505 Monday through Friday, 8 a.m. to 5 p.m., or email at hunt@tpwd.texas.gov for more information.

IMPORTANT CHANGES FOR 2023

A private landowner has withdrawn approximately 24,600 acres from the Annual Public Hunting Program for the 2023-24 hunting season in portions of Newton, San Augustine and Sabine counties. All U.S. Forest Service acreage in the historical footprints of Bannister and Moore Plantation WMAs will remain in the hunting program. Specific corporate reductions include:

• Bannister WMA – 4,695 acres (21,130 acres remaining)
• Moore Plantation WMA – 2,775 acres (23,263 acres remaining)
• Newton County, Unit 122 – Loss of the entire unit; 16,851 acres (0 acres remaining)

If the eOSR badge appears on the unit map Legal Game Box in this booklet or at the Information Station, hunters can perform electronic on-site registration using the TPWD “My Texas Hunt Harvest” mobile application downloaded on your smartphone. Please note that most WMAs and state parks require paper on-site registration. Paper OSR forms will be available at those registration stations to comply with their on-site registration requirements.

An online registration process has been developed for those interested in participating in Mentored Hunting Workshops (see page xxiv). Mentored Hunting Workshops are designed to introduce first-time hunters to the hunting experience, educate them on the skills they will need to be successful in the field, and build a foundation for their hunting tradition. New hunters wishing to register for a workshop should visit www.tpwd.texas.gov/huntwild/hunt/public/mentored_hunting_workshops/ to complete the registration process.

SPECIAL VETERANS – ACTIVE MILITARY PERSONNEL WATERFOWL HUNTING DAYS – Some but not all, waterfowl hunting areas will list a special waterfowl season now open to veterans and current members of the U.S. Armed Forces on active duty, including members of the National Guard and Reserve on active duty (other than for training). Refer to the current Outdoor Annual for information on proof of eligibility and requirements for participation. Interested veteran and active-duty military waterfowl hunters should check the individual map pages for listed availability.

SPECIAL REMINDERS

• Hunting and Fishing: A hunting license and any required stamp endorsements are required to hunt any public hunting lands. A fishing license is required to fish from the bank of a Wildlife Management Area if fishing is allowed in the Legal Game Box. All hunters age 17 and older and adult supervisors must possess an APH to hunt or supervise youth hunters.

• Target practice is not an authorized recreational activity on public hunting lands.

• Maps: The maps in this Map Booklet and on the department’s website are the only maps of public hunting lands that TPWD provides indicating hunting areas and designated roads open to permit holders. Maps in this publication can also be found at the TPWD website on the Public Hunting web page. Many public hunting maps have aerial formats and GPS coordinates. These enhanced maps can be found online at the department’s web pages at www.tpwd.texas.gov/APH. In addition, enhanced maps can be downloaded to your smartphone using the TPWD “My Texas Hunt Harvest” mobile application. Caution, maps purchased from other sources (U.S. Forest Service, COE, etc.) may include private roads that are not accessible by permit holders. Study the maps closely to avoid trespassing on private property or private roads when accessing, using or leaving public hunting lands. Commercially available mobile hunting applications may include units that are no longer part of the APH program or have boundaries that have not been properly updated.
• On-site Registration: Many units in this booklet require on-site registration (OSR) or electronic on-site registration (eOSR) for entry or participation in certain activities. Paper OSR involves signing in and depositing Part A of the OSR form at a registration station immediately upon arrival at the unit and depositing Part B of the OSR form at the sign in area when leaving the unit. Where appropriate, paper OSR forms are provided at the registration station of select WMAs.

• E-Postcard hunts are available through the Public Hunt Drawing System beginning August 15. Adult applicants are required to purchase an APH Permit prior to submitting an application. All hunters must have a valid Texas hunting license to participate. Permitted hunters must apply at www.tpwd.texas.gov/drawnhunts.

• The U.S. Forest Service offers a limited number of permits to hunt antlerless deer during the general open season on Alabama Creek WMA, Bannister WMA, Caddo National Grasslands WMA, Moore Plantation WMA and Sam Houston National Forest WMA. Hunters wishing to apply for antlerless permits must apply online at www.tpwd.texas.gov/drawnhunts by September 15, 2023. Only one application per hunter allowed. Adult and youth permits are available. Only those drawn will be notified.

• Whooping Cranes: This symbol has been placed on maps of certain public hunting areas where whooping cranes have been seen. Public hunters need to be aware that whooping cranes might be present in or fly through these public hunting areas. Texas is the wintering location for the last wild whooping crane population in the world. Traditionally, these endangered birds have wintered in wetlands near Aransas National Wildlife Refuge in Aransas County; however, in recent years, whooping cranes have also wintered in other Texas counties. For more information on whooping crane identification, visit www.tpwd.texas.gov/whoopingcranes. There are heavy fines for accidental and/or intentional shooting of whooping cranes, so “be sure before you shoot!”

• Litter: Please pick up all trash including shotgun hulls and boxes.

• Refer to the “Prohibited Acts” section and “Questions and Answers” section for additional information including the use of horses, vehicles, and ATVs.

• Hunter Use Survey: Located on the inside front cover of this booklet is a Public Use Scorecard for you to log your hunting information. A random sample of hunters will be selected and mailed a survey to complete. Surveys will be sent by email or regular mail depending on the information we have for you. You will be asked information on the days of use and game harvested by you on individual units. This information is very important to assist with monitoring populations, harvest, and evaluating use of the areas. If you receive a survey, please complete the survey and return it to TPWD. Your participation is greatly appreciated.

DISCLAIMER OF LIABILITY AND RELEASE

The Annual Public Hunting permit and/or the Limited Public Use permit allows entry upon designated public hunting lands for hunting and other approved outdoor recreational activities. These designated public hunting lands are owned by Texas Parks and Wildlife Department or are leased by Texas Parks and Wildlife from private landowners. Texas Parks and Wildlife Department and/or the private landowners may not know what conditions exist upon the designated public hunting lands, the number or proficiency of other participating hunters or other users thereon and, as such, they do not make any warranty or representation of any type, kind or character whatsoever as to conditions existing or that may hereafter exist upon the designated public hunting lands or as to the suitability or non-suitability of the designated public hunting lands for hunting and/or other approved outdoor recreational activities. Any person entering upon the designated public hunting lands does so at their own risk and acknowledges, recognizes and agrees that all hunting and other approved outdoor recreational activities are potentially dangerous in part because of the use of firearms by hunters of varying degrees of proficiency and conditions of nature.

In consideration of being permitted to access the designated public hunting lands for hunting and other approved outdoor recreational activities, I, the permittee, and as the authorized supervising adult of any accompanying minor, personally assume all risks associated with entering the designated public hunting lands, whether foreseen or unforeseen, and unconditionally release and hold harmless Texas Parks and Wildlife Department, its commissioners, directors, officers, employees, volunteers, agents and representatives, and any participating private landowners, their respective directors, officers, employees, agents, representatives, members, partners, and affiliates, from and against any and all liabilities, costs, expenses, claims, and damages for which Texas Parks and Wildlife and/or any participating private landowner might otherwise become liable by reason of any accidents, or injuries to or death of any persons, or damage to property, or both, in any manner arising or resulting from, caused by, connected with or related to the presence of any such person upon the designated public hunting land, regardless of how, where, or when such injury, death or damage occurs even if caused by the negligence of Texas Parks and Wildlife Department or any participating private landowner.

I, the permittee, have read this release and understand all its terms. I understand that by engaging in any activity authorized under the Annual Public Hunting permit and/or the Limited Public Use permit, I execute this release voluntarily with full knowledge of its significance.

Schedule of Recreational Use and Visitation ............................................................. 150
LEGAL GAME SPECIES, MEANS AND METHODS, BAG AND POSSESSION LIMITS

All public users must obey regulations listed in the Map Booklet or posted at an area. Regulations concerning seasons, bag and possession limits, and the means and methods of taking wildlife resources, will generally conform to those established by the TPW Commission or the Executive Director, along with those in effect for the county or counties where individual units are located except where specific exceptions are made in this publication or posted at an area. Updates will be posted on the TPWD website as they become available: www.tpwd.texas.gov. Additional information concerning hunting seasons, bag and possession limits, and lawful means and methods can be found at OutdoorAnnual.com or by using the Outdoor Annual mobile app. Harvest Information Program (HIP) certification is required for hunting any type of migratory game birds.

LEGAL GAME LEGENDS

Each map has a Legal Game legend or box, which will list the legal species that may be hunted, special regulations, and important notices about access to the unit. In some cases, there may be more than one legend or box on the map. These regulations may vary from those established for the county in which the property lies. It is important to read and follow the Prohibited Acts and the information in the Legal Game legends to insure a safe and legal hunting experience on public hunting lands.

LEGAL GAME AVAILABLE

<td>Pheasant, Chachalaca, Furbearers, Squirrel, Rabbits and Hares, Predators</td>
</tr>
</tbody>
</table>

If a species or season is not listed in the Legal Game Legend, there is no hunting allowed for that species or by that particular means on the unit. Example, if there is only an archery season listed, then no gun hunting is allowed for deer on that area.

Dogs may be used for hunting squirrel, rabbits, hares, furbearing animals, predatory animals, and game birds (other than turkey) on most units during the open seasons. See the Prohibited Acts section for rules and regulations concerning the use of dogs and area maps for further restrictions.

White-tailed deer bag limits are the total number of deer that may be harvested for all seasons combined. You must have the appropriate license tag or USFS Antlerless Deer Permit in order to take a deer from these units. Several public hunting areas have antler restrictions. Refer to the individual unit maps for more information.

On units which have a spring season for Eastern turkey, all harvested turkey must be reported to the department via mobile application within 24 hours of harvest. Harvested turkey may be field dressed but must otherwise remain intact. To report a harvested turkey or download the My Texas Hunt Harvest mobile reporting application, go to www.tpwd.texas.gov/turkey.

Unless otherwise specified for a specific unit, shooting hours for feral hogs, rabbits, and hares will be restricted to daylight hours only, and furbearers and predators may be taken anytime day or night (unless restricted in the Legal Game box).

The bag limit for frogs OR bullfrogs per 24-hour period (midnight to midnight) is 25.

Black bears have been seen on or around some public hunting lands in East and West Texas. Hunters are reminded that black bears are protected and may not be harmed or killed. Please report black bear sightings or mortalities to the appropriate wildlife district office.
DEFINITIONS

The following abbreviations, words and terms, when used in this publication, shall have the following meanings, unless the context clearly indicates otherwise.

Airboat—A boat propelled mechanically by movement of air, including, but not limited to a fan, propeller, or jet.

All terrain vehicle (ATV)—Any vehicle meeting the definition of an ATV under Transportation Code, §663.001. A defined ATV means a vehicle that is: equipped with a saddle for the use of the rider and a passenger, if the motor vehicle is designed by the manufacturer to transport a passenger; designed to propel itself with three or four tires in contact with the ground, designed by the manufacturer for off-highway use by the operator and not designed by the manufacturer for farming or lawn care.

Authorized supervising adult—A parent, legal guardian, or individual at least 18 years of age who assumes liability and responsibility for a minor.

Baiting—The placement of minerals, vegetative materials, or other food substances used as an attractant for wildlife.

Big game—Native species of deer, turkey, and exotic mammals.

Camping—the use of public hunting lands for overnight accommodation, which includes sleeping, the storage of unattended personal possessions, or the use of a motor vehicle as lodging.

Concurrent hunt—A hunt that maintains the same permit requirements, hunt dates, means and methods, or shooting hours or combinations thereof, for one or more species of animal, as designated and subject to any special provisions.

Daylight hours—The period from 30 minutes before official sunrise to 30 minutes after official sunset.

Designated campsite—An area identified by signs or Public Hunting Lands literature for camping and camping activities.

Designated road—A constructed roadway indicated as being open to the public by either signs posted to that effect or by current TPWD Public Hunting Lands maps and leaflets and not identified as a closed road by signs, gate, or blocked at entrance, but does not include county or state roads or highways.

Designated trail—A trail indicated as being open to the public by either signs posted to that effect or by current TPWD Public Hunting Lands maps and leaflets and not identified as a closed trail by signs, gate, or blocked at entrance.

Disabled person—A person who possesses a placard, license plate, or other documentation issued to that person by the State of Texas under the provisions of Transportation Code, Chapter 681. Herein referred to as person(s) with a disability.

Exotic mammals—Non-indigenous (non-native) wild mammals, including but not limited to exotic ungulates, feral goats, feral sheep, feral hogs, European wild hogs, and crosses thereof.

General season—A specified time period or designated days within a specified time period, during which any legal means or methods (as designated) may be used to take the designated species.

Hunt—To capture, trap, take or kill and includes any attempt to capture, trap, take or kill.

Immediate supervision—Control of the actions of a minor by an authorized supervising adult issuing verbal instruction in a normal voice level.

Limited Public Use (LPU) Permit—A permit, valid from issuance date through the following August 31, which allows access to designated wildlife management areas and public hunting lands at the same times that access is provided by an APH permit.

Loaded firearm—A firearm containing a live round of ammunition within the chamber and/or magazine, a round in the muzzle and a propellant charge or propellant cartridge in the breech; or if the firearms is a muzzleloader, one which has a cap on the nipple or a priming charge in the pan, or a primer charge in the primer well.

Minor age participant—An individual less than 17 years of age.

Motorboat—Any vessel being propelled by machinery, but does not include a boat being propelled solely by paddle, pole, oar, or wind.

Motor vehicle—A self propelled vehicle that can be used to transport persons or property on a highway as defined by Transportation Code, Chapter 541.

Off-highway vehicle (OHV)—An all-terrain vehicle (ATV), off-highway motorcycle, or any other four wheel drive vehicle not registered to be driven on a highway.

Off-road vehicle (ORV)—An ATV, a utility vehicle, or any vehicle that is manufactured or adapted for off-road use and may not lawfully be operated on a public roadway.

On-site registration (OSR)—The requirement for public users to register at designated places upon entry and exit from specified public hunting lands.

PHL—Public Hunting Land

Predatory animals—Bobcats and coyotes.

Recreational use—Any use or activity other than hunting or fishing.

Small game—Game birds (other than turkey), squirrel, rabbits and hares, furbearers, predatory animals, fish, frogs, crayfish, and other legal wild fauna not classified as big game.

SNA—State Natural Area.

SP—State Park.

Unattended—Gear, equipment, or floating conveyances not within 200 yards of the person responsible for the gear, equipment or floating conveyances.

Waterfowl—Ducks (including teal), mergansers, coots, and geese.

WMA—Wildlife Management Area.

Wildlife resources—Game animals, game birds, furbearing animals, alligators, marine mammals, frogs, fish, crayfish, other aquatic life, exotic animals, predatory animals, rabbits and hares, and other wild fauna.

Youth—Individuals age 16 or younger for hunting all species.
PROHIBITED ACTS

Important – In addition to the other applicable statutes or regulations, a person on Public Hunting Lands commits an offense if that person:

**General Access to the Units**
- fails to possess a valid permit, hunting license, and appropriate stamp endorsement;
- possesses a firearm, archery equipment, crossbow, trap, snare, or other device for taking wildlife resources on public hunting lands and does not have the permit required to take wildlife resources on the concerned unit;
- enters an area identified by boundary signs as a limited use or restricted zone and fails to obey the restrictions on public use posted at the unit or contained within this Map Booklet;
- enters an area identified by boundary signs or on the unit map as a restricted zone;
- fails to perform paper or electronic on-site registration or report to a departmental check station as required for certain units and species;
- trespasses on or shoots into adjacent privately-owned property without the landowner’s permission;
- enters the hunting area when access is restricted.

**Alcohol**
- is under the influence of alcohol or consumes an alcoholic beverage while engaged in hunting activities, or publicly consumes or displays an alcoholic beverage.

**Hunter Orange**
- fails to visibly wear at least 400 square inches of hunter orange material with orange headwear and at least 144 square inches appearing on both chest and back during daylight hours at times when hunting with firearms is permitted. Exempt from these requirements are: (1) authorized department personnel and landowner employees, (2) persons hunting turkey or migratory game birds, (3) persons within the enclosed passenger compartment of a motor vehicle, (4) persons within a designated campground, designated vehicle parking area, designated boat launching facility or departmental check station, and (5) persons other than hunters on COE properties.

**NOTICE TO ARCHERY HUNTERS AND RECREATIONAL USERS:**
You must wear hunter orange during daylight hours at any time when firearm hunting for any species is authorized on the unit. Many units allow firearm hunting year-round for rabbits, and firearm hunts for squirrel and dove often are conducted concurrently with archery deer hunts.

**Hunting**
- takes any species, sex, or type of wildlife resource not designated as legal game as shown in the LEGAL GAME LEGEND of the unit map within this Map Booklet;
- takes or attempts to take a game animal or game bird other than during legal shooting hours of the open seasons and by the means and methods established by the Statewide Hunting and Fishing Proclamation and the Migratory Game Bird Proclamation, or as otherwise provided for a specific unit in this Map Booklet;
- takes or attempts to take a furbearing animal or predatory animal other than during the open seasons and by the means and methods established by the Statewide Furbearing Animal and Trapping Proclamation or as otherwise provided for a specific unit in this Map Booklet;
- takes or attempts to take a feral hog, rabbit or hare other than during daylight hours of the open seasons and by the means and methods provided for a specific unit in this Map Booklet;
- takes an antlerless deer during the general open season on wildlife management areas jointly managed by TPWD and the U.S. Forest Service (901, 902, 903, 904, and 905) unless that person possesses on their person a USFS antlerless permit, if they are required.

**Baiting and Trapping**
- baits wildlife (see DEFINITIONS) on public hunting lands, except when performed in conjunction with the use of traps or snares for taking furbearers and predatory animals, or as otherwise authorized by the department for a specific unit, activity and time period;
- hunts over a baited area except as authorized by the department for a specific unit, activity, and time period;
- uses a trap or snare to take feral hogs or any wildlife resource unless under contract with the department or cooperating landowner;
- uses a trap or snare to take furbearers or predatory animals, except as authorized on specific units during the period from November 1 through March 31;
- fails to visibly and legibly mark each trap or snare with the Customer Number of the trapper’s license or trapper’s name, address, and dates trap or snare was set;
- sets a trap or snare within 50 yards of a designated road or public hunting lands boundary or within 400 yards of a designated campsite;
- uses deadfalls or lethal chemicals for taking wildlife resources;
- uses recorded or electric calling devices to take wildlife resources other than furbearers and predatory animals or except as provided for any Special Migratory Conservation season;

**NOTICE:** The use of scent lures simulating animal odors is not considered baiting.

**Means and Methods**
- possesses a loaded firearm within or on a motor vehicle except as provided for a person with disabilities;
- possesses a loaded firearm within a designated campsite, designated vehicle parking area, designated boat launching facility or departmental check station;
- discharges a firearm, bow and arrow, or crossbow from, onto, along, or across a designated road or designated campsite;
- uses or displays a firearm or archery equipment in an obviously unsafe or threatening manner;
- possesses buckshot on public hunting lands, except as authorized by the department for a specific unit, activity and time period;
- uses or possesses shotshells or loose shot other than non-toxic shot while hunting waterfowl;
Important – In addition to the other applicable statutes or regulations, a person on Public Hunting Lands commits an offense if that person:

- uses a firearm that utilizes rimfire ammunition in taking deer;
- uses a rifle, handgun, or a shotgun with slugs to take a migratory game bird;
- uses a firearm to take deer during the archery only deer season;

**NOTE:** Firearm restrictions contained in the Public Lands Prohibited Acts do not apply to a person in possession of a handgun in compliance with applicable law, including, but not limited to, Penal Code, Chapter 46, and Government Code, Chapter 411, Subchapter H.

Vehicles, Airboats, and Horses

- enters a unit of public hunting lands with an equine (horse, mule or burro) unless that person has in their immediate possession a completed VS Form 10-11 (Texas Animal Health Commission) showing that the equine has a negative Coggins’s test within the previous 12 months. The documentation required by this paragraph shall be made available for inspection upon the request of any department employee acting within the scope of official duties.
- uses or possesses a horse, mule, burro or any type of riding stock or pack animal on public hunting lands at any time, except on units 901, 902, 903, 904, and 905; or as provided in this Map Booklet for a specific unit or in accordance with group equestrian events which are scheduled and authorized by the department;
- uses or possesses a horse, mule, burro or any type of riding stock or pack animal on U.S. Army Corps of Engineers lands that allows equestrian use and does not possess either the APH or LPU Permit;
- does not confine motor vehicle use to designated roads, including electric bicycles (e-bikes), except parking is permitted on the shoulder of or immediately adjacent to designated roads, and as provided for persons with disabilities or for a person directly assisting persons with disabilities on designated roads or trails (see USFS restrictions); NOTE: persons directly assisting persons with disabilities must remain within normal voice distance.
- hunts from a motor vehicle, except as provided for persons with disabilities;
- parks or leaves a motor vehicle unattended anywhere other than in designated parking areas or designated road;
- operates an all-terrain vehicle (ATV), off-highway vehicle (OHV) or off-road vehicle (ORV) on public hunting lands and is not (1) a person with a disability or directly assisting a person with a disability on a designated ATV, OHV, or ORV road or trail, (2) otherwise authorized by the department to do so, and (3) compliant with the safety requirements for ATV use as set by the Texas Department of Public Safety (ATV only); (see USFS restrictions);
- operates an Off-Highway Vehicle (OHV) on public lands without the required OHV decal; decal requirements are waived for persons with disabilities;
- uses an airboat within the boundaries of public hunting lands, except as provided by executive order or by written permission of the department;

**Dogs**

- uses a dog to hunt deer or turkey;
- uses a dog to hunt feral hogs and other exotic mammals unless specifically allowed for in the Legal Game Legend on the unit maps;
- uses a dog to hunt furbearers or predatory animals during daylight hours within an open general season for deer on public hunting lands;
- fails to keep all dogs in designated campsites confined or leashed;

**Hunting Blinds, Gear, and Equipment**

- constructs or places a hunting blind, stand, tower, or platform within 50 yards of any designated road, marked unit boundary, or designated campsite;
- constructs a permanent blind, stand, tower, or platform;
- leaves a hunting blind, stand, tower, or platform in place for more than 72 hours or uses metal nails, spikes, screws, or bolts to attach such structures to the timber;
- leaves personal gear, equipment (including decoys), or floating conveyances unattended for more than one hour following the close of legal shooting hours. NOTE: this does not apply to gear or equipment left within a designated camping area or for specific activities scheduled by the department.

**Camping**

- camps or builds a fire anywhere other than in a designated campsite, except on units 901, 902, 903, 904, and 905 where this restriction applies only from the day prior to the opening of the archery deer season through the day following the close of the general deer season;
- causes, creates, or contributes to excessive or disturbing sounds beyond the person’s immediate campsite between the hours of 10 p.m. and 6 a.m.;
- establishes a camp and leaves it unattended for a period of longer than 24 hours;
- establishes a camp for more than 14 consecutive days on the same unit of public hunting lands, or for more than 21 days in a 30-day period;

**General Conduct**

- fails to deposit refuse in designated containers or remove it from the unit;
- writes on, scratches, or otherwise defaces natural features, signs, buildings, or other structures;
- disturbs or removes plants, wood, rocks, gravel, sand, soil, shell, artifacts, or other objects from public hunting lands without proper authorization;
- fails to obey regulations posted at the unit or listed in this Map Booklet;
- fails to comply with instructions on permits or area/unit leaflets; or refuses to follow directives given by departmental personnel in the discharge of official duties.
- engage in any activity not specifically authorized by order of the executive director or regulation of the commission;
- leaves feathers or bird parts within designated parking areas or near livestock watering facilities.

See pages xiii-xiv for Additional Information and Restrictions in Effect on U.S. Forest Service Units.
GENERAL INFORMATION AND ACCESS

- Only hunters are required to possess the $48 Annual Public Hunting (APH) Permit.
- The U.S. Forest Service (USFS) Units are: Unit 901 (Caddo Grasslands), Unit 902 (Moore Plantation), Unit 903 (Bannister), Unit 904 (Alabama Creek), and Unit 905 (Sam Houston National Forest).
- Boundaries of USFS units are marked with wildlife management area signs. The maps in this Map Booklet are the only maps of public hunting lands that TPWD provides. These maps are the only maps that indicate the hunting areas and designated roads that the permit holder has access. Maps purchased from the USFS include private roads that are not included in your access as a permit holder.
- The USFS has implemented and created a new Motor Vehicle Use Map for each of their properties. Visit this website for the most current map containing roads available for motor vehicle use. www.fs.usda.gov/texas/
- All hunters and those accompanying them in the field during daylight hours are required to wear a minimum of 400 square inches of hunter orange with at least 144 square inches appearing on both the chest and back at all times; additionally, wearing hunter orange headwear is required. Those exempt from wearing hunter orange are individuals hunting furbearers or predators at night, wild turkey during the spring season, doves, ducks, geese, woodcock, or other migratory game birds. All National Forest and Grassland visitors are encouraged to wear daylight fluorescent orange when pursuing recreational activities during the fall/winter hunting seasons.
- Individuals may not discharge a firearm or any other implement capable of taking human life, causing injury, or damaging property as follows: (1) In or within 150 yards of a residence, building, campsite, developed recreation site or occupied area, or (2) Across or on a National Forest System road or a body of water adjacent thereto, or in any manner or place whereby any person or property is exposed to injury or damage as a result in such discharge.
- A Special Use Permit issued by the USFS is required to conduct paid guide services on USFS lands.
- The U.S. Forest Service performs various habitat management activities including prescribed fire during the year. The Forest Service is not responsible for stands/blinds damaged or destroyed by such management activities. For more information contact the local USFS office.

ANTLERLESS DEER PERMITS

- You must be in possession of a USFS Antlerless Deer Permit to take antlerless deer during the general season on Units 901, 902, 903, 904, and 905, that are wildlife management areas jointly managed by TPWD and the USFS.
- USFS antlerless deer permits are not required during the Archery Only, Youth Only, or an established Muzzleloader Only season on USFS units.
- The USFS offers a limited number of permits to hunt antlerless deer during the general open season on Alabama Creek WMA, Bannister WMA, Caddo National Grasslands WMA, Moore Plantation WMA and Sam Houston National Forest WMA. Hunters wishing to apply for antlerless permits must apply online at www.tpwd.texas.gov/drawnhunts. The deadline to apply is September 15.
- Only one application per hunter allowed. Adult and youth permits are available. Only those drawn will be notified by email. Postcard and email applications will no longer be accepted by the U.S. Forest Service or TPWD Austin Headquarters.

MANDATORY DEER CHECK STATION

In order for the USFS units to obtain valuable harvest information, all deer harvested on certain days must be checked at a designated deer check station and receive a metal harvest tag. Deer must be field dressed prior to check-in. See unit maps for more information on when check stations will be open.

ATVS AND HORSEBACK RIDING

- There is only one designated OHV trail on the National Forests and Grasslands in Texas and that is the Multiple Use Trail located in the Sam Houston National Forest. The Sam Houston National Forest offers 85 miles of multiple-use trails which may be utilized by registered Off-Highway Vehicles (OHVs). ATVs are prohibited on all other units. Information on ATVs and OHVs on the Forest may be found at: www.fs.usda.gov/activity/texas/recreation/ohv
- There are no special riding provisions or exemptions for persons with disabilities on U.S. Forest Service lands.
- Recreational horseback riding is allowed on all USFS units year-round.
VEHICLE TRAFFIC ON FOREST SERVICE UNITS – MOTOR VEHICLE USE MAPS (MVUM)

The MVUM is a requirement of the Travel Management Final Rule and reflects travel management decisions on each forest. The MVUM displays National Forest System (NFS) routes (roads and trails) or areas designated open to motorized travel. The MVUM also displays allowed uses by vehicle class (highway-legal vehicles, vehicles less than 50 inches wide and motorcycles), seasonal allowances and provides information on other travel rules and regulations. Routes not shown on the MVUM are not open to public motor vehicle travel. Routes designated for motorized use may not always be signed on the ground but will be identified on the MVUM. It will be the public’s responsibility to reference the MVUM to determine designated routes for motor vehicle use. The MVUM will be updated annually to correct mapping errors or discrepancies and update travel decisions. The MVUM is a black and white map with no topographic features. It is not a stand-alone map and is best used in conjunction with a Forest Visitor Map. The MVUM is free to the public at each local Ranger District office and at the Supervisor’s Office. The MVUM list is also available for download and sections of these maps may be printed from your home computer. Visit the National Forest and Grasslands in Texas homepage www.fs.usda.gov/texas and click on the Motor Vehicle Use Maps (MVUM) link located on the right side of the page under “Quick Links.”

CAMPING
Camping is restricted to developed campgrounds, designated hunter camps, and designated camp sites only from one week prior to the start of the Archery Season until one week after the end of the Muzzleloader Season. During other times, persons may camp elsewhere in the USFS units in compliance with orders of the Forest Supervisor.

ROADS CLOSURES AND PARKING ON THE UNITS
Some USFS unit roads may be closed to vehicular traffic on a seasonal basis. As a permit holder, you retain the right to walk into the unit and utilize it for authorized activities although access may temporarily be less convenient.

NOTICE: Some portions of the U.S. Forest Service units are designated as “Wilderness Areas” and prohibit use of motorized vehicles, except for wheelchairs if designed solely for use by a mobility impaired person for locomotion, that are suitable for use in an indoor pedestrian areas.

DO NOT BLOCK roads, gates, trails, or entrances to service roads with parked vehicles. Be sure that your parked vehicle does not impede the flow of traffic or present a safety hazard. Your vehicle may be ticketed or even towed if necessary to allow emergency access.

FOR MORE INFORMATION ABOUT A NATIONAL FOREST

A list of official orders/prohibitions issued by the Forest Supervisor for the National Forests & Grasslands in Texas can be found at www.fs.usda.gov/detail/texas/

These orders describe the prohibitions, closures, and regulations for the National Forests and Grasslands in Texas and are subject to updates and changes. Maps are not attached to the orders, but may be obtained by contacting the Forest Supervisor’s Office in Lufkin. Questions regarding these orders or requests for copies should be directed to USDA Forest Service, 2221 N. Raguet St., Lufkin, TX 75904. For more information visit the National Forests and Grasslands in Texas website or contact the following offices. www.fs.usda.gov/texas

YOUTH HUNTING INFORMATION AND REGULATIONS

All participants in youth hunts must possess a hunting license, any required stamps, and HIP (Harvest Information Program) certification if hunting migratory birds.

Adult supervision of minors is required during public hunts. When hunting on public lands, youth under 17 are required to be under the immediate supervision of a duly permitted, authorized supervising adult, age 18 or older, who is licensed to hunt in Texas.

- Youth under 12 years of age must remain within normal voice distance of an adult supervisor.
- For youth ages 12 to 16 who have received hunter education certification, the requirement for immediate supervision is relaxed to the extent that the supervising adult is required only to be present on the public hunting unit.

Please note that this hunter education requirement is different than the statewide requirement and is in effect for all public hunting lands under the administration of TPWD. The supervising adult is responsible for the actions and liability of the youth.

A Quick Reference Chart is included on each Public Hunt Region Map to assist in locating those public hunting areas which will offer youth hunting opportunities this season. Refer to the chart and the Table of Contents to locate an area. All of the youth hunt information is found on the unit maps. Special regulations and notices of applicable rules that will be in effect during the hunts are listed in the Legal Game box, or on some maps, in a separate Special Regulations box.

YOUTH ONLY HUNTS: During the hunts listed as Youth Only, only youth under 17 are authorized to hunt.

YOUTH/ADULT HUNTS: Each group must contain a youth under 17 years of age to participate. During the hunts listed as Youth/Adult, the supervising adults as well as the youths will be allowed to hunt.

YOUTH E-POSTCARD HUNTS AND WORKSHOPS: See pages xx-xxiv for more youth hunting opportunities offered by postcard drawing and Mentored Hunting Workshops.

HUNTER EDUCATION

Every adult hunter (including out-of-state hunters) born on or after Sept. 2, 1971, must successfully complete a Hunter Education Training Course. Minimum age of certification is 9 years and cost is $15.

If you were born on or after Sept. 2, 1971, and you are:
- under 9 years of age, you must be accompanied*.
- age 9 through 16, you may successfully complete a hunter education course, or you must be accompanied*.
- age 17 and over, you must successfully complete a hunter education course; or purchase a “Hunter Education Deferral,” and you must be accompanied*.

Hunter Education Deferral (cost: $10) Allows a person 17 years of age or older who has not completed a hunter education program to defer completion for up to one year. A deferral may only be obtained once and is only valid until the end of the current license year. A person who has been convicted or has received deferred adjudication for violation of the mandatory hunter education requirement is prohibited from applying for a deferral. Take the course by August 31 of the current license year and receive a $5 discount off the $15 course cost.

* Accompanied means: By a person who is at least 17, who is licensed to hunt in Texas, who has passed hunter education or is exempt (born before Sept. 2, 1971), and you must be within normal voice control. Proof of certification or deferral is required to be on your person while hunting.

Note: Certification is not required to purchase a hunting license.

For course information, please consult the TPWD Hunter Education section at www.tpwd.texas.gov/huntered or call toll-free 800/792-1112 (menu 6) or call 512/389-4999.
**QUESTIONS AND ANSWERS**

**What are Public Hunting Lands?**

Public hunting lands include property that TPWD owns or leases from various agencies, corporations, and private landowners. **Landowners retain full rights to use their property** for forest products, agricultural crops, livestock grazing, mineral recovery, water supply, and uses other than hunting on leased public hunting lands.

Remember to respect the rights and property of the landowner and other public users. Your actions will determine the future access of these lands to the public.

**What type of permit must I have and what will it allow me to do?**

1. The **Annual Public Hunting (APH) Permit ($48)** allows an adult access to designated public hunting lands in this booklet.
   - Hunting is allowed for white-tailed deer, feral hogs, exotics, game birds, predators, furbearers, and more without having to pay daily permit fees and in most instances, without having to be selected in a drawing.
   - Youth under 17, may accompany and hunt with an adult (18 or older) APH Permit holder free of charge. There is not a restriction on the number of youth an adult may take onto these public hunting lands but safety should be a primary concern.

2. A **Limited Public Use (LPU) Permit ($12)** allows an adult access for fishing (when it is permitted on a unit), camping, birdwatching, hiking, and other recreational activities on designated public hunting lands, but they may not hunt or possess firearms or archery equipment.

The APH and LPU Permits provides an adult with access to all of the units during the time periods listed in this Map Booklet.

A permit is not required for:

1. youth (under age 17) under the supervision of a permitted adult;
2. persons participating in educational programs, management demonstrations, or other scheduled activities for which the permit requirement has been waived by TPWD;
3. a non-hunting and non-fishing adult who is assisting a permit holder with a disability,
4. private property owners/operators utilizing designated roads to cross public hunting lands to travel directly to or from their property; or
5. persons who are authorized by, and acting in an official capacity for TPWD or the owners of public hunting lands.

See the rules listed in the Legal Game box on each unit map and the Schedule of Recreational Use and Visitation.

**Hunting and Fishing Activity**

In order to hunt on any public hunting lands, persons age 17 or older must possess an APH Permit, a hunting license, and any required stamps. Youth (under age 17) are required to have a Texas hunting license but are not required to possess their own permit to hunt or fish however, they must hunt or fish under the supervision of an authorized supervising adult (age 18 or older) who possesses the required permit.

An APH or LPU permit is required to fish from the bank or within the enclosed waters of public hunting lands. The LPU allows for fishing activities on public hunting units that offer fishing. A fishing license is not required to fish from the bank of public waters found in units located within state parks if fishing is permitted.

**Horseback Riding Activity**

On U.S. Army Corps of Engineers lands and other public hunting units that allow equestrian use, users must possess either an APH Permit or an LPU Permit. See unit map for site specific rules for equestrian use. See the Prohibited Acts pages for more information concerning the use of horses and the requirements for Coggin’s clearances.

**How will I be able to locate the public hunting lands?**

All units of public hunting lands available for public use under the APH and LPU permits are listed in this Map Booklet. Previous years’ Map Booklets and supplements are obsolete. Check the current Map Booklet page for each unit before entering. Commercially available mobile hunting applications may include units that are no longer part of the APH program, boundaries that have not been properly updated, or public areas that are not part of the TPWD APH program.

If you cannot find a unit in the Map Booklet, then the unit is not a part of the Public Hunting Lands program. If you are still not sure about a unit, call 512/389-4505 Monday – Friday (8 a.m. to 5 p.m.) for public hunting information.

The maps in this Map Booklet are the only maps of public hunting lands that TPWD provides that indicate the hunting areas and designated roads to which the permit holder has access. Maps purchased from other sources (U.S. Forest Service, COE, etc.) may include private roads that are not included for access by permit holders. **Study the maps in this booklet closely to avoid trespassing on private property or private roads when accessing, using or leaving public hunting lands.** Remember that the public hunting permit authorizes access only to public hunting lands but not to adjacent private property. Ignorance of the law is no excuse or defense should you be charged with trespassing or hunting without landowner permission on private property.
Boundary Markers: Boundaries of most public hunting lands are marked at frequent intervals with signs facing outward and displaying information identifying the property as public hunting lands or a TPWD wildlife management area. If you can see the printed text on the Public Hunting Lands signs or the old Type II boundary signs, you are outside of the Public Hunting Lands. Also, U.S. Forest Service WMA boundaries are identified by yellow metal signs.

Some lands may have been removed from the Public Hunting Program since last season and it is possible that some of the public hunting lands signs may not have been removed. Also, many owners of private property erect similar signs indicating that their land is a “wildlife management area” or “game management area.” It is recommended that you make a preliminary visit to a unit to scout and determine if campsites are adequate for your needs before you arrive for the hunt. Unless you are exempt, you must have your permit with you at any time you are on public hunting lands.

What is on-site registration (OSR)?

The majority of units in this booklet require on-site registration (OSR) for entry or participation in certain activities. The requirement of OSR is listed in the Legal Game Box for each unit. OSR involves self-registration upon arrival and departure from a public hunting area. The OSR requirement is in addition to any other permit which may be needed for hunting or access and provides useful information that helps TPWD improve the public hunting and access experience.

If the unit map in this booklet or the information station at the site displays the badge below, **Electronic On-site Registration is available.**

![eOSR](tpwd.texas.gov/myhunt)

Electronic On-Site Registration (eOSR) is a smartphone and web app that can be used to perform on-site registration on all dove and small game fields, select Wildlife Management Areas (WMAs), and Public Hunting Lands (PHLs). Download the app from [tpwd.texas.gov/myhunt](http://tpwd.texas.gov/myhunt) or scan the code on page xix.

Please note that most WMAs and state parks require paper on-site registration. OSR forms are available at registration stations to comply with on-site registration requirements.

Look for the above badge to determine if your hunt location allows for eOSR.

Is it possible that access to some of the public hunting lands listed in the Map Booklet may be further restricted during the Sept. 1–Aug. 31 period for which my permit is valid?

Yes, it is possible, but this seldom occurs. TPWD reserves the right to restrict bag limits or close seasons under emergency conditions if needed to protect wildlife resources. Similarly, access to interior designated roads may at times be closed to protect sensitive areas, reduce littering or trash dumping, prevent wildfires, or to promote safety by directing the public away from hazardous situations. If you encounter a “road closed” sign, barricade or other similar structures indicating closure of a designated road, you should assume that the road is closed for a good reason and cease vehicle travel at that point. Such on-site closures will supersede designated road indications shown in the Map Booklet. As a permit holder, you retain the right to walk into the unit and utilize it for authorized activities although access may temporarily be less convenient. When the reason for the road closure is resolved, roads will reopen for public use.

In very rare instances, a landowner may choose to withdraw lands from the Public Hunting Lands Program before the end of the permit period. This is permitted by the contract under which TPWD has leased these lands. Should such a withdrawal of lands occur, signs will be posted at all major entrance points announcing that the specific parcel of land is no longer within the Public Hunting Lands Program and public access is no longer authorized.

There are also access restrictions on some of the areas during times of Special Permit hunts. Check the individual unit maps for closure dates or restricted access to parts of the public hunting areas.

Is crowding a problem on public hunting lands?

On occasion, crowding may occur on certain units, especially on opening day of the season. By hunting later in the season, or on weekdays rather than on weekends, and by making use of smaller or more remote units, you can generally avoid crowded conditions. Permit holders are reminded that in order to provide participants the freedom to spontaneously choose the time and place of their use of public hunting lands, the possibility of occasional crowding will exist.

Should you encounter crowded conditions on a unit, you are advised to move to a less congested location. Please treat other participants with the respect that you would like to be shown. Remember that the permit is an ANNUAL permit, which allows a variety of public use opportunities on multiple units throughout the year on a first-come, first-served basis.
What are the legal means and methods for taking feral hogs by Annual Public Hunting Permit?

At times when listed as a legal species on a specific unit, feral hogs may be taken with any type of legal firearm and ammunition, legal archery equipment, or crossbow with the following restrictions and provisions:

- The Legal Game box for a specific unit may further restrict the means and methods of taking feral hogs.
- Hunting of feral hogs is restricted to daylight hours only.
- Buckshot may not be used or possessed, unless authorized in the Legal Game box for a specific unit or hunt period.
- Dogs may not be used to hunt feral hogs, except on White Oak Creek (Unit 727); see the unit map for details.
- Baiting of feral hogs is prohibited, unless authorized for a specific unit or hunt period.
- Unless under contract with the department or the cooperating landowner, trapping of feral hogs is prohibited.
- **KNOW YOUR TARGET BEFORE SHOOTING.**

Black bears have been seen on or around some public hunting lands in East and West Texas and can easily be mistaken for a feral hog. Hunters are reminded that black bears are protected and may not be harmed or killed. Please report black bear sightings or mortalities to the appropriate wildlife district office.

What vehicle restrictions are in effect on public hunting lands?

Hunting from a vehicle or the possession of a loaded firearm in or on a motor vehicle is prohibited (see exception provided for holders of a concealed handgun permit). The use of motor vehicles, including electric bicycles (e-bikes), is restricted to designated roads or trails. This regulation reduces potential conflict on these multiple use areas and minimizes habitat damage and wildlife disturbance.

Provisions for Permit Holders with Disabilities:

- A person with a disability may hunt from a parked vehicle that is only on an ADA designated road, trail or an area authorized by TPWD staff. The vehicle of the person with disabilities may not block access to the road or trail by other users.
- The hunting of migratory game birds from a motor vehicle is further restricted to only paraplegics and single or double amputees of legs.

Access to some of the public hunting units is restricted to designated entry/exit locations. Check individual maps for designated entry/exit locations. **It is a violation to trespass onto private property or use private roads without the landowner’s permission.**

CAUTION: Flooding and inclement weather may limit the use of designated roads. Please exercise good judgment and avoid travel on muddy roads that would leave deep ruts and further restrict public access.

Temporary road closures, identified by signs or barricades, may be made by the department if current conditions warrant. Although vehicular entry may be limited at times, you may still enter the unit on foot.

**ATV and OHV Use:** All persons except qualified persons with disabilities and those assisting persons with disabilities operating an off-highway vehicle on public land must purchase and display an off-highway vehicle decal. Decals are available by phone or fax from TPWD and at local retailers, for a list of dealers and further details go to [www.tpwd.texas.gov/ohv](http://www.tpwd.texas.gov/ohv). An **Off-Highway Vehicle (OHV)** is defined as an all-terrain vehicle (ATV), off-highway motorcycle, or any other four wheel drive vehicle not registered to be driven on a highway. See DEFINITIONS.

ATV operators must abide by all safety regulations and have completed a state of Texas approved safety training certification class to use an ATV on public hunting lands.

- ATV must display a current OHV decal. OHV requirement has been waived for persons with a disability.
- ATV operators must take an ATV safety course and carry their ATV safety certificate with them.
- ATV operators MUST WEAR approved helmet and eye protection.
- OHVs CANNOT be operated on any public road or road right of way.
- OHVs can only be operated on roads and trails designated for such use.
- OHVs crossing any public road must do the following: (1) come to a complete stop, (2) head and tail lights must be on, and (3) crossing must be perpendicular to the roadway.
- See Additional Restrictions in Effect on USFS Units.
What restrictions are in place concerning the use of dogs?

Dogs may be used for hunting squirrel, rabbits, hares, fur-bearing animals, predatory animals, and game birds (except turkey) on most units during the open seasons. Use of dogs is not allowed on most State Park hunt areas. See the Prohibited Acts section for rules and regulations concerning the use of dogs and area maps for further restrictions concerning the use of dogs.

Owners of dogs brought onto Public Hunting Lands must be able to show documentation of current rabies vaccination. Owners are responsible for the actions of their dog and should exercise control of the dog at all times to assure that the activities of other permit holders are not interfered with and that wildlife is not harassed.

Will camping be allowed on public hunting lands?

Camping is limited to primitive campsites only. There are no shelters, toilets, or drinking water available on most units. Camping for more than 14 consecutive days on the same unit of public hunting lands, or for more than 21 days in any 30-day period is prohibited.

Collection of fallen wood for properly contained campfire use on these units is allowed, however, the cutting of standing trees or the removal of firewood from the units is prohibited.

Leaving refuse, trash, or garbage and littering is prohibited. Littering is one of the worst problems that causes landowners to remove their property from this program. Trash receptacles are not provided, so please take all trash with you upon departure and leave a clean campsite for your next visit.

See Prohibited Acts section for more rules on camping.

Does the U.S. Forest Service have different restrictions for hunting on their units that are included in the Annual Public Hunting Program?

Yes, during the general (gun) season, antlerless deer may only be taken on five of the USFS units with a USFS Antlerless Deer Permit. Adults and youth may apply for a permit through TPWD’s Drawn Hunt Program at www.tpwd.texas.gov/drawnhunts.

All ATV and OHV use is managed on USFS units and not allowed except on designated trails depicted on the Motor Vehicle Use Map for each of their properties. Contact the USFS for the most current map containing roads available for motor vehicle use.

See unit maps and Additional Restrictions in Effect on USFS Units for more information or visit the U.S. Forest Service website, www.fs.usda.gov/texas.
E-Postcard hunts (online submission only) and phone reservation hunts require adults to possess a valid Annual Public Hunting Permit (APH). Youth must be accompanied by a supervising adult 18 years of age or older who is an APH permit holder.
E-POSTCARD SELECTION HUNTS

E-Postcard hunts are available through the Public Hunt Drawing System. Adults are required to purchase an Annual Public Hunting Permit prior to being allowed to apply for E-Postcard Hunts, and all hunters must have a valid Texas hunting license to participate. Information regarding specific E-Postcard hunts; including number of positions, bag limits, and other regulations can be found online or by contacting the area directly. Hunters must apply at www.tpwd.texas.gov/drawnhunts.

Dove
Sept. 16-17 and Sept. 23-24.
The deadline for application is Sept. 1, 2023.

HUNTS BY PHONE RESERVATION
Reservations are on a first-come, first-served basis and must be made through the field office personnel; voice mail messages will not be accepted.
Interested parties must reserve a hunt position by contacting the area manager before being allowed access to the WMA for hunting.

BLACK GAP WMA
Predator
Jan. 12-14 and Feb. 9-11. Reservations will be accepted for six
groups of up to two hunters for each hunt period. Bag Limit:
Unlimited coyotes and bobcats (no other predators may be harvest-
ed). Hunting parties will meet at the WMA Headquarters (details
provided at the time of registration). Reservations will be made by
calling the Black Gap WMA office at 432/376-2216 only on Jan. 8,
2024, beginning at 9 a.m. until all positions are filled.

RICHLAND CREEK WMA-CARL FRENTESS UNIT
Teal
Sept. 9-12. Reservations will be accepted for five groups of up to
four hunters in each group. Hunting parties will meet at the WMA
Headquarters (details provided at the time of registration).
Reservations will be made by calling the Richland Creek WMA office
at 903/389-7080 only on Sept. 1, 2023, beginning at 9 a.m.
through 10 a.m. or until all positions are filled.

REGULAR PERMIT HUNTS
A Regular Permit is available for certain small game and migratory bird hunts on specific areas on a first-come first-served basis.
A $20 fee is charged for each Regular Permit issued; however, the fee will be waived for youth hunters (under age 17) and for persons possess-
ing an Annual Public Hunting Permit.
A valid hunting license and any required stamp endorsements are required to participate in these hunts.
All participants must check in and out each day at the area check station before entering the hunt area and before leaving for the day.
The department reserves the right to limit the number of hunters, cancel or modify hunts or hunt dates, alter bag limits, or modify hunt procedures at any time to address resource and safety concerns.

Refer to the Prohibited Acts section for additional information and restrictions.

Reminder: Vaccination of hunting dogs against rabies is required by Department of State Health Services and owners must be able to show documentation of current vaccinations whenever the animal is transported.

**MENTORED HUNTING WORKSHOPS**

Select state parks and wildlife management areas will conduct mentored hunting workshops designed to introduce first time hunters to the hunting experience, educate them on the skills they will need to be successful in the field, and build a foundation for their hunting tradition. These workshops are followed by a hunt on the area. Mentored Hunting Permits (MHP) required for these workshops are offered to qualified hunters and are only valid for a specific public hunting unit and the corresponding workshop dates. A person may participate in a designated hunt under an MHP only after completing the mandatory mentored hunting workshop, has been authorized by the department to participate in hunting activities and is accompanied by a designated mentor.

Applying for a Mentored Hunting Workshop is easier than ever and can be done online at: www.tpwd.texas.gov/huntwild/hunt/public/mentored_hunting_workshops/

### ABILENE SP

**Feral Hog:** First Time Hunters, Feb. 9-11, 2024. Bag Limit: no bag limit. For more information contact the park at 325/572-3204.

### ALAZAN BAYOU WMA

**Multi-species:** First Time Hunters. Dec. 3-4, 2023. Mentored hunting workshop for adults 25 years old and older who have never hunted and never completed hunter education. Workshop will be held at time hunt and consist of hunter education, woodsmanship, and live fire training; followed by guided hunts on the dates provided for various in-season game animals and/or feral hogs. For more information contact the WMA at 936/569-8547.

### BRAZOS BEND SP

**Waterfowl:** First Time Hunter. Workshop date is Oct. 13, 2023. Hunt date will be Jan. 25, 2024. Bag Limit: bag and possession limits for South Zone Waterfowl Season apply. For more information contact the State Park at 281/202-7222.

### GUS ENGELING WMA

**Squirrel:** First Time Hunters. Oct. 21, 2023. Workshop followed by hunt on Dec. 16, 2023. Bag Limit: County bag and possession limits apply. Hunters will always be accompanied by TPWD staff during the hunt.

**Waterfowl:** First Time Hunter. Workshop date is Oct. 14, 2023. Hunt dates will be determined during the workshop by staff. Hunt location (Richland Creek WMA, Big Lake Bottom WMA, Gus EngelING WMA, or Keechi Creek WMA) will be determined based upon scouting results prior to the hunt date. Bag Limit: bag and possession limits for North Zone Waterfowl Season apply. Hunters will always be accompanied by TPWD staff during the hunt. For more information contact the WMA at 903/928-2251.

### INKS LAKE SP

**White-tailed Deer:** First Time Hunter. Nov. 14-16, 2023. Bag Limit: One deer (either sex) and unlimited feral hogs. For more information contact the park at 512/793-2223.

### OLD SABINE BOTTOM WMA

**Feral Hog:** First Time Hunters, Jan. 12-14, 2024. Bag Limit: no bag limit. For more information contact the WMA at 903/881-8233.

### PALO DURO CANYON SP

**White-tailed Deer:** Disabled Veteran (50% VA rating or above) geared toward First Time Hunters. Nov. 30-Dec.1, 2023. Bag Limit: One deer (mature antlerless only), one Rio Grande turkey (mature either sex), and unlimited aoudad and feral hogs. For information contact the park at 806/488-2227.

### PURTIS CREEK SP

**Waterfowl:** First Time Hunter. Workshop date is Oct. 21, 2023, hunt date #1 is Jan. 6, 2024, and hunt date #2 is Jan. 20, 2024. Workshop attendance is required to attend either hunt date, however previous workshop/hunt attendees will not be eligible to participate. Bag Limit: Bag and possession limits correspond to limits during the North Zone Duck and Eastern Zone Goose seasons. For more information contact the park at 903/425-2332.

### RESACA DE LA PALMA SP

**Dove:** First Time Hunter. Sept. 16. Bag Limit: bag and possession limits for South Zone Dove Season apply. For more information contact the park at 956/350-2920.

### SAN ANGELO SP

**White-tailed Deer:** First Time Hunter. Jan. 9-11, 2024. Bag Limit: Two white-tailed deer (antlerless and spike bucks only, limit 1 spike buck), one javelina, one exotic mammal, and unlimited feral hogs. Center fire rifles only; hunt will be by assigned blinds. For more information contact the park at 325/949-4757.

**OSR Required Each Day**

**Dove:** Each day of the North Zone Dove season (Mourning, White-winged, and Eurasian Collared). May be taken while hunting Dove.

**Rabbits and Coyotes:** May be taken while hunting Dove.
Each year Texans contract Lyme disease, Rocky Mountain spotted fever, ehrlichiosis and relapsing fever. All of these diseases are transmitted by the bite of an infected tick. If caught early, these diseases can almost always be cured. If left untreated, they can be serious or even fatal.

Early symptoms of these diseases mimic the “flu,” and include fever, headache, tiredness, stiff neck or neck pain, muscle aches, and joint pain. Sometimes a rash is also present. If you develop flu-like symptoms (with or without a rash) after a tick bite, you should see a physician right away.

**To protect yourself and your family**
- Wear light-colored clothing so that ticks can easily be seen.
- Tuck pant legs into socks to keep ticks off of your skin.
- Wear long-sleeved shirts and keep shirt tails tucked in.
- Use insect repellent according to package instructions.
- Inspect exposed skin every few hours for ticks.
- Do a thorough, full-body tick check when you come in and remove any attached ticks.
- Frequently check your pets for ticks. In addition to bringing ticks into your home, pets can contract tick-borne diseases.

**To remove an attached tick**
- Use tweezers to grasp the tick’s mouthparts as close to the skin as possible.
- If tweezers are not available use a tissue to protect your fingers.
- With a steady motion, pull the tick straight out.
- After removal, you can mail the live tick to the Texas Department of Health Laboratory (address below) for identification and testing. Please use a container with a secure lid. Putting a small piece of tissue moistened with a single drop of water in the container will help keep the tick alive.

**For More Information**
For more information on tick-borne diseases in Texas, contact your local health department or the Texas Department of Health, 1100 West 49th St., Austin, TX 78756.

www.TickTexas.org
Haskell County Complex
Brushy Creek East (Unit #2533) 1290 acres
Brushy Creek West (Unit #2534) 252 acres

**NOTE:** County Road 274 gets extremely muddy/flooded and impassable from its intersection with CR 273 and eastward after rain. Please avoid driving east of the CR 273/CR 274 parking area when wet.

---

Brewster 701 Black Gap WMA

Totals 2 2 1 3 1 2 1 2 1 1 1
**Black Gap WMA**
Unit #701
103,127 acres

**ENTIRE AREA CLOSED:** Nov. 12-17, Nov. 23-Dec. 10, Dec. 24-31, Jan 12-14, and Feb. 9-11.

**SPECIAL SEASON**
Youth/Adult & Veteran/Active-Duty Military Duck: Oct. 21-22.

**HUNTS BY PHONE RESERVATION**
Predator: See the front section of this booklet for “Phone Reservation Hunt” information.

**LEGAL GAME • 2023-2024**

**Dove:** Sept. 1-Oct. 29, Dec. 15-24, and Jan. 1-11. Hunters are required to deposit one wing from each dove harvested in registration station before exiting the area.

**Quail:** Oct. 28-Nov. 11, Nov. 18-22, Dec. 11-24, Jan. 1-11, Jan. 15-Feb. 8, and Feb. 12-25. Hunters are required to deposit one wing from each quail harvested in registration station before exiting the area.

**Waterfowl:** Each day of Early Teal Season and each day the Regular High Plains Mallard Management Unit Season except on dates when the entire area is closed.

**Rabbits and Hares:** Concurrent with hunt dates for dove and quail (no bag limit).

**Fishing:** Open year-round in the Rio Grande River except on dates listed as ENTIRE AREA CLOSED. Impoundments are closed to fishing. Anglers may cross through the Black Gap WMA to fish in the Rio Grande River by possessing any of the required access permits.

**GENERAL USE & VISITATION INFORMATION:**
General visitation is allowed only during the period Feb. 26-Aug. 31 and is restricted to roads (Horse and Maravillas Canyons) accessing the Rio Grande corridor.

**Use of horses** allowed only on designated trails and in river corridor only during Feb. 26-Aug. 31. See Prohibited Acts section for regulations on horse use and further restrictions.

**Campsites** are available on area and campsite locations are identified at the area headquarters/sign-in station. Users should check for local burn-bans before lighting campfires (432/376-2216).

**IMPORTANT NOTICE**
The Rio Grande River adjacent to the WMA falls within that segment of the river designated by the federal government as a Wild and Scenic River. Please be advised that special federal rules may apply to certain river activities. A copy of these rules will be posted at the WMA self-registration station. For additional information call the Big Bend National Park at 432/477-2251, menu option 3.
ENTIRE AREA CLOSED: Oct. 16-20, Nov. 13-17, Nov. 23-Dec. 11, and Dec. 18-Dec. 22.

SPECIAL SEASON
Youth/Adult Quail: Oct. 21-22.

GENERAL USE & VISITATION INFORMATION:
All public access requires on-site registration. Hunting and general use is restricted to portions of the WMA which are identified as being open by information posted at the Information/Registration Station. See “Schedule of Recreational Use and Visitations” for more information on access permit requirements. Driving tour is open ONLY April 1-Aug. 31. Camping is permitted within the designated primitive camping area only. All public use is restricted to the camping area from two hours after official sunset until two hours before official sunrise. Users should check for local burn-bans before lighting campfires (432/364-2228).

LEGAL GAME • 2023-2024
OSR Required.

LEGAL GAME • 2023-2024
OSR Required.
Waterfowl: Jan. 7-22.
Special Regulations: One time site registration at the State Park HQ (open 8am-5pm) is required prior to hunting. Daily OSR required upon entering hunting area.
NOTE: Users must be aware of grazing domestic livestock in portions of the area.

SPECIAL REGULATIONS: Waterfowl hunting is allowed on the surface of O.C. Fisher Lake by agreement with the US Army Corps of Engineers. State Park entrance fee and COE registration forms must be obtained at the South Shore Gatehouse during normal business hours. No Annual Public Hunt Permit required to hunt the surface of the lake ONLY. Special COE rules and regulations apply. Park closure dates for Annual Public Hunt Permit do not extend to the lake.

LEGAL GAME • 2023-2024

OSR Required.

Feral Hogs: (no bag limit)
- Archery Only: Concurrent with dates for Deer. Baiting is allowed (hand broadcast only).
- Shotgun Only: Concurrent with Dove, Quail, Waterfowl, and Goose dates.

Archery Only Javelina/Exotic: Concurrent with dates for Deer. Bag limit - 1 Javelina and 1 exotic mammal. Baiting is allowed (hand broadcast only).

Archery Only Turkey: Concurrent with dates for Deer. Bag limit - 1 Rio Grande turkey (either sex). Baiting is allowed (hand broadcast only).

Dove: Sept. 1-24 and every day of the second split Central Dove Zone.
Quail: Dec. 16-Feb. 25.

Waterfowl: Each day of the Early Teal, High Plains Mallard Management Unit, and Western Zone Goose seasons (including any special conservation season). Shooting hours begin one half hour before sunrise to sunset.

Rail, Gallinule, and Moorhen: As established for Tom Green County.

Snipe: As established for Tom Green County.

Sandhill Crane: Each day of the Sandhill Crane season for Zone A.

Means Restriction: Small game and Feral Hog hunting firearms are restricted to shotguns with non-toxic shot or no larger than #4 lead shot.

SPECIAL REGULATIONS: All persons must perform on-site registration at the South Shore entrance to the park by signing in upon arrival. Hunting activities are restricted to only that portion of the park identified as being open to hunting by information posted at the registration station. Dogs may be used to hunt quail and waterfowl. See Prohibited Acts for further restrictions.
**LEGAL GAME Box • 2023-2024**

**OSR Voluntary On This Unit**

**White-tailed Deer:** Bag limit - 2 deer either sex; not to exceed 1 buck (all seasons combined). Hunting is allowed each day of the Archery, General, and Late Seasons as established for Tom Green County. Shotguns with slugs, muzzleloaders, archery equipment, and pre-charged pneumatic air rifles/arrow guns are the only legal means allowed for general and late seasons.

**Feral Hogs, Exotic Mammals and Furbearers:** Daylight hours only. Concurrent while hunting White-tailed Deer with hunting to end Feb. 25 (no bag limit).

**Javelina:** Bag limit 2 (either sex; all seasons combined). Concurrent while hunting White-tailed Deer with hunting to end Feb. 25.

**Rio Grande Turkey:** Bag limit 4 (all seasons combined). Hunting is allowed each day of the Archery, Fall, and Spring Seasons as established for Tom Green County.

**Waterfowl:** Shooting hours are one half hour before sunrise to noon. Hunting is allowed each day of the Early Teal, High Plains Mallard Management, and Western Zone Goose seasons.

**Dove:** Each day of the first split of the Central Zone Dove season.

**Quail, Squirrel, Rabbits & Hares:** Jan. 1-Feb. 25.

**Trapping:** Jan. 1-Feb. 25. **Fishing:** No closed season.

---

**SPECIAL SEASON**

**Youth Only Deer:** See TPWD Outdoor Annual for Special Youth Season information and regulations.

**Youth and Veteran/Active-Duty Military Only**

**Waterfowl:** See TPWD Outdoor Annual for Special Season information and regulations. Hunting hours end at noon.

**Notice:** Children 16 and under are required to be accompanied by an adult with a current LPU or APH permit.

---

**SPECIAL REGULATIONS:** Baiting is allowed (hand broadcast only) for white-tailed deer, feral hogs, exotic mammals, javelina and Rio Grande turkey (no spring turkey baiting).

**NOTE:** On the water recreationists, (including fishing from a vessel) are exempt from the hunter orange requirement.

---

**Means Restriction:** Centerfire/Rimfire Rifles and Pistols are PROHIBITED. Firearms are restricted to shotguns with non-toxic shot for migratory game birds and/or no larger than #4 lead shot for small game and upland game birds.

**SPECIAL REGULATIONS:** A Gear Tag containing name, address, and date set is required on all traps, blinds, and game cameras used on the area. Tag must be updated every 72 hours.

SPECIAL REGULATIONS: Parking is available on refuge property or along Kirby Road adjacent to the Nocona Unit. Entry into the unit is by foot or bicycle only. Dogs may only be used to retrieve dove, rabbit, and squirrel and are prohibited for any other hunting purpose. Stands and blinds must be removed from the refuge at the end of each hunt day; gear tags required. Falconry is prohibited. No camping and no fires allowed. No target shooting, no predator or night hunting allowed.
LEGAL GAME • 2023-2024
OSR Required Each Day
SPECIAL REGULATIONS: Parking is restricted to designated parking areas. No camping allowed. No fires or grills of any kind. No ATVs or UTVs allowed.
Each year Texans contract Lyme disease, Rocky Mountain spotted fever, ehrlichiosis and relapsing fever. All of these diseases are transmitted by the bite of an infected tick. If caught early, these diseases can almost always be cured. If left untreated, they can be serious or even fatal.

Early symptoms of these diseases mimic the “flu,” and include fever, headache, tiredness, stiff neck or neck pain, muscle aches, and joint pain. Sometimes a rash is also present. If you develop flu-like symptoms (with or without a rash) after a tick bite, you should see a physician right away.

**To protect yourself and your family**
- Wear light-colored clothing so that ticks can easily be seen.
- Tuck pant legs into socks to keep ticks off of your skin.
- Wear long-sleeved shirts and keep shirt tails tucked in.
- Use insect repellent according to package instructions.
- Inspect exposed skin every few hours for ticks.
- Do a thorough, full-body tick check when you come in and remove any attached ticks.
- Frequently check your pets for ticks. In addition to bringing ticks into your home, pets can contract tick-borne diseases.

**To remove an attached tick**
- Use tweezers to grasp the tick’s mouthparts as close to the skin as possible.
- If tweezers are not available use a tissue to protect your fingers.
- With a steady motion, pull the tick straight out.
- After removal, you can mail the live tick to the Texas Department of Health Laboratory (address below) for identification and testing. Please use a container with a secure lid. Putting a small piece of tissue moistened with a single drop of water in the container will help keep the tick alive.

**For More Information**
For more information on tick-borne diseases in Texas, contact your local health department or the Texas Department of Health, 1100 West 49th St., Austin, TX 78756.

www.TickTexas.org
If you have a child 9 to 17 years old who wants to learn more about wildlife and hunting, TYHP offers the opportunity to spend some quality time in the outdoors learning together and making memories.

Who we are:
The Texas Youth Hunting Program was established by Texas Parks and Wildlife Department and Texas Wildlife Association to increase the numbers of youth participating in wildlife and hunting activities.

What we do:
Since 1995, the TYHP has been conducting affordable weekend hunts for youth run by experienced volunteers. Our hunts teach outdoor skills, safety, wildlife management, personal responsibility and respect for private property.

Why it’s important:
Kids who participate in our youth hunts have fun while learning about wildlife and nature. They learn about natural resource conservation and management and how to be safe in the outdoors from game wardens, biologists, landowners, experienced hunters, and hunter education instructors.

Come join us to learn and share some special time with your child.

TICK-BORNE DISEASES IN TEXAS

Each year Texans contract Lyme disease, Rocky Mountain spotted fever, ehrlichiosis and relapsing fever. All of these diseases are transmitted by the bite of an infected tick. If caught early, these diseases can almost always be cured. If left untreated, they can be serious or even fatal.

Early symptoms of these diseases mimic the “flu,” and include fever, headache, tiredness, stiff neck or neck pain, muscle aches, and joint pain. Sometimes a rash is also present. If you develop flu-like symptoms (with or without a rash) after a tick bite, you should see a physician right away.

To protect yourself and your family
- Wear light-colored clothing so that ticks can easily be seen.
- Tuck pant legs into socks to keep ticks off of your skin.
- Wear long-sleeved shirts and keep shirt tails tucked in.
- Use insect repellent according to package instructions.
- Inspect exposed skin every few hours for ticks.
- Do a thorough, full-body tick check when you come in and remove any attached ticks.
- Frequently check your pets for ticks. In addition to bringing ticks into your home, pets can contract tick-borne diseases.

To remove an attached tick
- Use tweezers to grasp the tick’s mouthparts as close to the skin as possible.
- If tweezers are not available use a tissue to protect your fingers.
- With a steady motion, pull the tick straight out.
- After removal, you can mail the live tick to the Texas Department of Health Laboratory (address below) for identification and testing. Please use a container with a secure lid. Putting a small piece of tissue moistened with a single drop of water in the container will help keep the tick alive.

For More Information
For more information on tick-borne diseases in Texas, contact your local health department or the Texas Department of Health, 1100 West 49th St., Austin, TX 78756.

www.TickTexas.org
SPECIAL SEASON
Youth White-tailed Deer (Archery only) and Youth Waterfowl and Veteran/Active-Duty Military Season:
See TPWD Outdoor Annual for Special Season information and regulations.

Means Restriction: Centerfire/rimfire rifles, pistols, and muzzle-loading firearms are PROHIBITED. Firearms are restricted to shotguns with non-toxic shot for migratory game birds and/or no larger than #2 shot. Non-toxic shot must be used for waterfowl hunting.

Special Regulations: Only hunters are required to possess the APH Permit. Access to the lake for fishing is allowed through the City of Marlin managed parks.

LEGAL GAME • 2023-2024
OSR Required Each Day

WHOOPING CRANES AND OTHER SIMILAR SPECIES

For more information, visit www.tpwd.state.tx.us/whoopingcranes/
or email: whoopingcranes@tpwd.state.tx.us

**WHOOPING CRANES – ENDANGERED**
White with black wingtips, red cap and red malar stripe
Juveniles have a mixture of white and brown body feathers, with black wingtips
Necks long, extended straight forward in flight
Wingspan: 7-1/2 feet
Legs extend beyond tail in flight
Slow wingbeat
Flocks of 2 to 7, sometimes migrate with sandhill cranes

**WOOD STORKS**
White, with black tail and black along entire edge of wings
Neck long, extended straight, bare and dark near head; heavy bill curved down
Wingspan: 5-1/2 feet
Long legs extend beyond tail in flight
Flaps slowly, glides and soars
May be seen in groups or as single birds

**SANDHILL CRANES**
Gray, with dark wingtips; may appear white in some light
Neck long, extended straight forward in flight
Wingspan: 6-1/2 feet
Legs extend beyond tail in flight
Slow wingbeat
Flocks of 2 to hundreds

**WOOD GOOSE AND ROSS’S GOOSE**
White with black wingtips
Wingspan: 4-1/2 feet
Short legs
Rapid wingbeat
Flocks of 20 to hundreds
Usually noisy

**AMERICAN WHITE PELICANS**
White wings with black edgings extending almost to body
Long neck, folded in flight
Wingspan: 9 feet
Short legs, do not extend beyond tail in flight
Long, yellow bill
Often in flocks of 20 or more
Usually circle while soaring

**GREAT EGRET**
An all-white heron with 4-1/2 foot wingspan and bright yellow beak
Long legs
Neck usually tucked in flight
Slightly smaller than sandhill cranes when standing
LEGAL GAME • 2023-2024

Feral Hogs: Archery only: (no bag limit) No closed season. Hunting is restricted to one half hour before sunrise to one half hour after sunset. Baiting is allowed for feral hogs.

Squirrel: Archery and Shotgun only: No closed season. Bag limit - 10 per day.

Rabbits & Hares: Archery and shotgun only: No closed season. No bag limit. Hunting during daylight hours only.

Doves: Each day of Central Zone Dove season.

Quail: Each day of the quail season.

Waterfowl: Hunting is allowed each day of the Early Teal North Zone Duck, and Eastern Zone Goose. Migratory bird hunters should take extra care as to not hunt over areas baited for hog/deer hunting.

Means Restriction: Firearms restricted to shotguns with no larger than #2 shot. Non-toxic shot must be used for waterfowl hunting.

SPECIAL REGULATIONS: A GEAR TAG CONTAINING NAME, ADDRESS, AND THE DATE SET ARE REQUIRED ON ALL HUNTING BLINDS, STANDS, AND FEEDERS. Use of mountain bikes is allowed on maintained trails and roadways. See Prohibited Acts for further restrictions. Only hunters are required to possess the APH Permit. Access to the lake for fishing is allowed through the Corps of Engineer managed parks year-round and no permit is required.
LEGAL GAME • 2023-2024
OSR Required Each Day

Dove: Each day of the first split of central dove season.

Rabbits, Hare & Feral Hogs: May be taken while hunting dove.

Shooting Hours: Dove, Rabbits, Hares, and Feral Hogs are from ½ hour before sunrise until noon and 3:00 p.m. until sunset.

Means Restrictions: Shotguns with no larger than #2 shot are the only legal means that may be used.

Special Regulations: Access hunt areas at designated “Entry Points” ONLY. Parking will be along the County Roads in the bar ditch. Do not block local traffic by parking on the roadways. No smoking. No dogs allowed. No fishing. Do not leave trash in the field including shotgun hulls. No hunting within 300 feet of the railroad tracks and oil field areas or in and around barns or farm equipment. Leave interior gates as found.

**SPECIAL SEASON**

Youth/Adult Waterfowl: First Sunday of each split of the South Zone season. Hunters must be checked out and exit the area by noon.

Youth and Veteran/Active-Duty Military Only Waterfowl: On the Saturday during the established Special USFWS season. See TPWD Outdoor Annual for Special Season information and regulations. Hunters must be checked out and exit the area by noon.

---

**Means Restriction:** Shotguns with non-toxic shot are the only legal means that may be possessed or used during these hunts.

**SPECIAL REGULATIONS:** HUNT PARTY SIZE IS LIMITED TO 5 INDIVIDUALS. All hunting activities are coordinated through the Headquarters Check Station.

**Waterfowl Procedures:** Hunts will no longer be conducted on a first come/first served basis. A lottery drawing will occur at 4:30 AM each day of a hunt to determine your position in line. Hunters arriving after 4:30 AM will be checked in as they arrive. Admittance to the hunt area ends 30 minutes before legal shooting light. Hunters must be checked out and exit the area by noon. Adult hunters must have an APH Permit, and other adult users must have a Limited Use Permit. Boats must be hand launched and only electric motors are allowed. No trailers. Vehicles must stay on designated roads. No driving on levees!

---

**LEGAL GAME • 2023-2024**

Waterfowl: Shooting hours begin ½ hour before sunrise. Check out by noon.

**Early Teal:** Only on Tues., Thur., Sat., within the Early Teal season.

**South Zone Duck:** Only on Tues., Thur., Sat., and the last Sun. of each split. There will be no hunts on Thanksgiving Day, Christmas Eve, Christmas Day, or New Year’s Day.

**Dove, Geese, Snipe, Rail, Gallinules & Sandhill Cranes:** May be taken during all waterfowl hunts, including the youth hunts, provided the seasons are open for these species. No hunts will be offered during the Light Goose Conservation Order.

**Fishing:** Access by boat via Gulf Intracoastal Waterway. Permitted only within the channel of Jones Creek on non-waterfowl hunt dates.
LEGAL GAME • 2023-2024

OSR Required Each Day.

Dove: Each day of the Special White Winged Dove Days and the First Split of South Zone Dove.

Means Restriction: Shotguns with non-toxic shot are the only legal means that may be possessed or used during these hunts.

SPECIAL REGULATIONS: All hunting activities are coordinated through eOSR and the information/check station at the parking area of this unit.
Someone is stealing Texas’ wildlife ... Do you know who?

If you know a poacher or know of poaching activity, report these violations to Operation Game Thief by calling

1-800-792-GAME

and help preserve our wildlife resources.

Information leading to the conviction of a poacher may result in a reward up to $1,000.

SPECIAL SEASON

Youth and Veteran/Active-Duty Military Only

Waterfowl: See TPWD Outdoor Annual for Special Season information and regulations. Shooting hours end at noon.

Youth/Adult Waterfowl: The First Saturday of each split of the South Zone Duck season and Dec. 25, Dec. 26, Dec. 30, Jan. 2, and Jan. 27. All Hunts begin at 4:30 AM and end at noon.

NOTICE

Access inside compartments is closed to all activities Sept. 1st-Jan. 31st, other than permitted hunters on designated hunt days and designated scouting days.

Designated Scouting Days (the 7 days prior to the opener of the Youth Only South Zone Duck Season): Access to inside of compartments permitted for scouting purposes only. Scouting is restricted to one half hour before sunrise to one half hour after sunset.

LEGAL GAME • 2023-2024

Waterfowl: Annual Public Hunt Permit ONLY. ALL Hunters must check in and out through the WMA check station and exit the WMA before noon. Check station opens at 4:30 AM. No registration required.

Early Teal: Each day of the Early Teal season. Hunters must register at the WMA headquarters check station located on State Hwy. 73.

South Zone Duck: Only on Wednesday, Friday, Sunday and November 25 except no hunts held on Christmas Eve.

Geese, Rails, Gallinule, and Snipe: May be taken during the seasons provided for these species during concurrent waterfowl hunts.

Feral Hog: Archery or Shotgun (slug or buckshot) only. Each day from Feb. 1- Apr. 30 (no bag limit). No registration required. Use of dogs allowed. No baiting.

Fishing is restricted to one half hour before sunrise to one half hour after sunset. An APH or Limited Public Use (LPU) Permit is required to fish within the WMA unless all activity is confined to a boat within Big Hill Bayou, Taylor Bayou, Hillebrandt Bayou, and Blind Bayou. No commercial fishing/crabbing is allowed. No unattended lines.

SPECIAL REGULATIONS: Trapping, use of horses, and water skiing is prohibited on the WMA. The use of airboats is prohibited, except in Big Hill Bayou and Blind Bayou. No more than 5 hunters per hunt party.

NOTE: Motorized access only on designated motorboat trails and named ditches. See checkstation map for "No Prop" zones and area closures. Motorboat operators are advised that disturbance of soils and plants on the WMA is prohibited. Entry to leved compartments is permitted only at designated locations. "Jumping" leves is strictly prohibited.

Nelda Stark Unit #738
868 acres

LEGEND
Information Station
Public Hunting Area

LEGAL GAME • 2023-2024

Waterfowl: Hunts begin at 4:30 AM and end at sunset the same day.
Early Teal: Each day of the Early Teal Season.
South Zone Duck: Only on Wednesday, Friday, and Sunday.
Geese, Woodcock, Rail, Gallinules, and Snipe: during the established seasons for these species on hunt dates and times designated for waterfowl.
Rabbits & Hares: Feb. 1-29 (no bag limit). Hunting is restricted to 30 minutes before sunrise to 30 minutes after sunset.
Feral Hogs: Feb. 1-April 30 (no bag limit).
Fishing: Within the designated hunt area, fishing is allowed Sept. 1-Oct. 31 and Feb. 1-Aug. 31. The rest of the WMA is open year-round. Fishing is restricted to 30 minutes before sunrise to 30 minutes after sunset. No commercial crabbing or bait fishing allowed on the area. Bank fisherman must possess an APH or LPU Permit.
Means Restriction: Shotguns are the only means allowed on the area. Non-toxic shot is required for waterfowl, rabbits, and hares. Buckshot is allowed for feral hogs.

SPECIAL REGULATIONS: Hunters may enter the WMA (main gate) no earlier than 4:30 a.m. and must leave by one hour after sunset. No unattended vehicles except during permitted hunts. Access to the designated hunt area is restricted to foot and non-motorized boats only during the Early Teal and South Zone Duck Season. Temporary blinds may be constructed using natural vegetation. Airboats restricted to non-vegetated areas only. No overnight camping. See Prohibited Acts for further restrictions. Note: There are longer designated hunt sites on this unit, a 200-yard distance must be kept between all hunt parties.

SPECIAL SEASON
Youth and Veteran/Active-Duty Military Only Waterfowl: Each day of the special season. Hunts begin at 4:30 AM and end at sunset the same day. See TPWD Outdoor Annual for Special Season information and regulations.

NOTE: Access to the designated hunt area on designated hunt days is restricted to hunters only. The remainder of the WMA is open year-round. The designated hunt area is by foot only and requires up to one-half mile walk on improved trails. Canoes and pirogues are recommended. Motorboat operators are advised that disturbance of soils and plants on WMAs is prohibited. Uprooting seagrasses using a propeller is prohibited by law.
**LEGAL GAME • 2023-2024**

**Waterfowl:** Hunts begin at 4:30 AM and end at noon the same day.

**Early Teal:** Each day of the Early Teal Season.

**South Zone Duck:** Each day of the South Zone Duck Season as established for Orange County.

**East of Hwy. 87/73:** Only on Wed., Fri., and Sun. The hunt area between Lake Street and Hwy 87/73 is non-motorized access only.

**West of Hwy. 87/73:** Only on Tues., Thurs., and Sat. Motorized access restricted to perimeter waters of Wetland Restoration Area and the Leveed impoundment west of Hwy 87.

**Geese, Woodcock, Rails, Gallinules, and Snipe:** During the established seasons for these species only on hunt dates and times designated for waterfowl.

**Rabbits and Hares:** Feb. 1-28 (no bag limit). Hunting from 30 minutes before sunrise to 30 minutes after sunset.

**Fishing:** Within the designated hunt area, fishing is allowed Sept. 1-Oct. 31 and Feb. 1-Aug. 31. Closed Nov. 1-Jan. 31. Fishing is restricted to 30 minutes before sunrise until 30 minutes after sunset. No commercial crabbing or bait fishing allowed on the Area. Bank anglers must possess a valid APH or LPU Permit.

**Means Restriction:** Shotguns with non-toxic shot only.

**SPECIAL REGULATIONS:** Hunters may enter the WMA no earlier than 4:30 a.m. During the period of Sept. 1-Feb. 28, access to the WMA is restricted to foot and non-motorized boats EXCEPT from 4:30 a.m. to end of legal shooting hours on designated hunt days. Temporary blinds may be constructed using natural vegetation (brush, cane, etc. - no lumber, wire, or other construction materials allowed). The WMA is open year round to permitted users. See Prohibited Acts for further restrictions.

**Note:** Motorboat operators are advised that disturbance of soils and plants on the WMAs is prohibited. Unroofing seagrasses using a propeller is prohibited by law.

---

**SPECIAL SEASON**

**Youth and Veteran/Active-Duty Military Only Waterfowl:** See TPWD Outdoor Annual for Special Season information and regulations.

**Youth/Adult Only Area:** Each day of Early Teal Season and each Tuesday, Thursday, and Saturday of Regular Waterfowl Season as established for Orange County.

Hunts begin at 4:30A and end at noon the same day. No more than 2 participating adults per party, each party is required to have one hunting youth participant (under 17). Maximum of 5 hunters per party.
SPECIAL SEASON
Youth/Adult squirrel: Sept. 23-24.
Youth and Veteran/Active-Duty
Military Only Waterfowl: Shooting hours end at noon. See TPWD Outdoor Annual for Special Season information and regulations.

LEGAL GAME • 2023-2024
OSR Required Each Day
Feral Hogs and Exotic Mammals: (no bag limit) No closed season. Only legal firearms (except shotguns with buckshot), air guns, arrow guns, archery equipment, and crossbows may be used. No baiting allowed.
Waterfowl: Shooting hours end at noon. Hunting is allowed each day of the Early Teal and North Zone Duck, Falconry, and Eastern Zone Goose seasons (including any special conservation season).
Woodcock, Rail, and Gallinule: Each day of the regular Statewide and Falconry seasons for these species.
Snipe: Each day of Statewide Season.
Dove: Each day of Central Zone Dove and Falconry Season.
Squirrel: Each day of East Texas Squirrel Season.
Furbearers and Predators: (Limit 1 per day) Nov. 1-Mar. 31. Concurrent shooting hours for feral hog.
Rabbits and Hares: Crayfish
Fishing
Means Restriction: Except when using a rifle, air gun, muzzleloader or shotgun with slugs, only non-toxic shot may be possessed on the WMA.
SPECIAL REGULATIONS: No hunting is allowed in that portion of the Unit which is within the city limits of Orange. Bank anglers must possess a valid APH or LPU Permit. No trapping except for crayfish. No unattended fishing lines or crayfish traps allowed. No commercial fishing allowed. Access to the lower portion is by boat only. For more information, contact the wildlife office (936/569-8547).

Youth/Adult Squirrel: Sept. 23-24.
Snipe: Each day of Statewide Season.
Dove: Each day of Central Zone Dove and Falconry Season.
Squirrel: Each day of East Texas Squirrel Season.
Furbearers and Predators: (Limit 1 per day) Nov. 1-Mar. 31. Concurrent shooting hours for feral hog.
Rabbits and Hares: Crayfish
Fishing
Means Restriction: Except when using a rifle, air gun, muzzleloader or shotgun with slugs, only non-toxic shot may be possessed on the WMA.
SPECIAL REGULATIONS: No hunting is allowed in that portion of the Unit which is within the city limits of Orange. Bank anglers must possess a valid APH or LPU Permit. No trapping except for crayfish. No unattended fishing lines or crayfish traps allowed. No commercial fishing allowed. Access to the lower portion is by boat only. For more information, contact the wildlife office (936/569-8547).
**LEGAL GAME • 2023-2024**

**Squirrels:** Regular (daily) Permit: Only Dec. 6 and 7 (bag limit 10 squirrels). Shooting hours are one half hour before sunrise until noon. Use of dogs prohibited.

**Means Restriction:** Shotguns with no larger than #4 lead shot and air rifles of .177 (4.5mm) caliber or larger with a muzzle velocity at minimum of 600 fps are the only legal means that may be used or possessed during these hunts.

**SPECIAL REGULATIONS:** A Regular Permit (available at the area) is required to participate in these hunts. The $20 Regular Permit fee is waived for persons possessing an APH Permit. APH Permits are available on site only from 8 AM to 5 PM. All fees waived for minors accompanied by a permitted authorized supervising adult. See Prohibited Acts for further restrictions.
MANDATORY DEER CHECK STATION: All deer harvested on Saturday Nov. 4 and Saturday Nov. 11 must be field dressed, tagged, and immediately taken to a designated deer check station (see map) to receive a metal harvest tag for the deer to be considered legal. Check station hours will be from sunrise until 7:00 p.m. on Nov. 4th and 11th.
**LEGAL GAME • 2023-2024**

**White-tailed Deer:** bag limit - 2 buck and 2 antlerless (all seasons combined). **LEGAL BUCK** must have at least one unbranched antler or an inside spread of at least 13 inches. Limit 1 buck with an inside spread of at least 13 inches.

**Archery Only Season:** Sept. 30-Nov. 3 (either sex). No USFS Antlerless Deer Permit required.

**General Season:** Nov. 4-Jan. 7 (buck only unless in possession of a USFS Antlerless Deer Permit obtained from the USFS). See USFS Additional Restriction section for more information on antlerless deer permits.

**Muzzleloader:** Jan. 8-21 (either sex, buck must have at least one unbranched antler). No USFS Antlerless Deer Permit required.

**Feral Hog and Exotic Mammals:** Open year-round (no bag limit). All legal firearms, air guns, arrow guns and archery equipment may be used.

**Waterfowl:** Shooting hours - one half hour before sunrise to noon. Hunting is allowed each day of the Early Teal, North Zone Duck, Falconry, and Eastern Zone Goose seasons (including any special conservation season).

**Woodcock, Rail, and Gallinule:** Each day of Statewide and Falconry Seasons.

**Snipe:** Each day of Statewide Season.

**Dove:** Each day of Central Zone Dove and Falconry season.

**Squirrel**

**Furbearers**

**Rabbits & Hares**

**Crayfish**

**Fiblufrogs:** daily limit of 25.

**Fishing:** No APH or LPU permit required.

**Trapping:** Sept. 1-Aug. 31, furbearers and predators only.

**SPECIAL REGULATIONS:** Only hunters are required to possess the APH Permit.

---

**SPECIAL SEASON**

**Youth/Adult Squirrel:** Sept. 23-24. Shotgun, air gun, and rimfire only.

**Youth Only Deer:** Oct. 28-29 (either sex) and Jan. 8-21 (either sex, buck must have at least one unbranched antler). See Legal Game Box for White-tailed Deer bag limit and legal buck requirements. No USFS Antlerless Deer Permit required. See TPWD Outdoor Annual for Special Youth Season information and regulations.

**Youth and Veteran/Active-Duty Military Only Waterfowl:** See TPWD Outdoor Annual for Special Season information and regulations. Shooting hours end at noon.

---

**NOTE:** Roads may be closed on a seasonal basis. For more information on the National Forest please call (936) 344-6205.
WHOOPING CRANES AND OTHER SIMILAR SPECIES

WHOOPING CRANES – ENDANGERED
White with black wingtips, red cap and red malar stripe
Juveniles have a mixture of white and brown body feathers, with black wingtips
Necks long, extended straight forward in flight
Wingspan: 7-1/2 feet
Legs extend beyond tail in flight
Slow wingbeat
Flocks of 2 to 7, sometimes migrate with sandhill cranes

WOOD STORKS
White, with black tail and black along entire edge of wings
Neck long, extended straight, bare and dark near head; heavy bill curved down
Wingspan: 5-1/2 feet
Long legs extend beyond tail in flight
Flaps slowly, glides and soars
May be seen in groups or as single birds

SANDHILL CRANES
Gray, with dark wingtips; may appear white in some light
Neck long, extended straight forward in flight
Wingspan: 6-1/2 feet
Legs extend beyond tail in flight
Slow wingbeat
Flocks of 2 to hundreds

SNOW GOOSE AND ROSS’S GOOSE
White with black wingtips
Wingspan: 4-1/2 feet
Short legs
Rapid wingbeat
Flocks of 20 to hundreds
 Usually noisy

AMERICAN WHITE PELICANS
White wings with black edgings extending almost to body
Long neck, folded in flight
Wingspan: 9 feet
Short legs, do not extend beyond tail in flight
Long, yellow bill
Often in flocks of 20 or more
Usually circle while soaring

GREAT EGRET
An all-white heron with 4-1/2 foot wingspan and bright yellow beak
Long legs
Neck usually tucked in flight
Slightly smaller than sandhill cranes when standing

TICK-BORNE DISEASES IN TEXAS

Each year Texans contract Lyme disease, Rocky Mountain spotted fever, ehrlichiosis and relapsing fever. All of these diseases are transmitted by the bite of an infected tick. If caught early, these diseases can almost always be cured. If left untreated, they can be serious or even fatal.

Early symptoms of these diseases mimic the “flu,” and include fever, headache, tiredness, stiff neck or neck pain, muscle aches, and joint pain. Sometimes a rash is also present. If you develop flu-like symptoms (with or without a rash) after a tick bite, you should see a physician right away.

To protect yourself and your family
• Wear light-colored clothing so that ticks can easily be seen.
• Tuck pant legs into socks to keep ticks off of your skin.
• Wear long-sleeved shirts and keep shirt tails tucked in.
• Use insect repellent according to package instructions.
• Inspect exposed skin every few hours for ticks.
• Do a thorough, full-body tick check when you come in and remove any attached ticks.
• Frequently check your pets for ticks. In addition to bringing ticks into your home, pets can contract tick-borne diseases.

To remove an attached tick
• Use tweezers to grasp the tick’s mouthparts as close to the skin as possible.
• If tweezers are not available use a tissue to protect your fingers.
• With a steady motion, pull the tick straight out.
• After removal, you can mail the live tick to the Texas Department of Health Laboratory (address below) for identification and testing. Please use a container with a secure lid. Putting a small piece of tissue moistened with a single drop of water in the container will help keep the tick alive.

For More Information
For more information on tick-borne diseases in Texas, contact your local health department or the Texas Department of Health, 1100 West 49th St., Austin, TX 78756.

www.TickTexas.org
Matagorda Island WMA
Unit #722
56,688 acres
Property owned by U.S. Fish and Wildlife Service and General Land Office of Texas

SPECIAL REGULATIONS: Matagorda Island WMA is only accessible by boat and there is no state provided transportation to or from the island. All visitor access is by chartered boat or private boat. The hunter check station is approximately 7 miles across Espiritu Santo Bay from Port O'Connor. Hunters can call the Rockport office at (361) 790-0307 for information. An APH Permit is required to waterfowl hunt in the Upland Unit. An APH or LPU is required to camp in the campground adjacent to the check station. No daily permits will be issued.

LEGAL GAME • 2023-2024
Waterfowl:
Upland Unit: Only on Dec. 9-10, Jan. 6-7, 13-14, 20-21 and 27-28 provided that these dates occur within the South Zone Duck season dates. Shooting hours end at noon. Hunting of geese is prohibited. There are 17 available hunting sites on the island. Hunter check-in begins at 5:00 am and ends at 5:30 am. All hunters are transported to and from hunt sites by TPWD personnel. Hunter’s overnight camping on the island will be checked in the night prior to the hunt (e.g. Campers will be checked in Friday night for the Saturday morning hunt period). All other hunters will be checked in beginning at 5:00 am the morning of the hunt period.

Bayside Marsh Unit: No APH Permit is required to hunt waterfowl. No check in or registration required. Waterfowl may be taken during the entire South Zone Duck season. Shooting hours are one-half hour before sunrise to sunset. Airboats are permitted within the Bayside Marsh Unit only.

Fishing: No APH or LPU is required to fish.
Means Restriction: Shotguns with non-toxic shot are the legal means that may be used or possessed during these hunts.
Guadalupe Delta WMA
Mission Lake Unit #720
4,448 acres

Note: Temporary closures may be made by the department if current conditions warrant and will be identified by signs and barricades. Please call 361/552-6637 for more information.

LEGAL GAME • 2023-2024

Waterfowl: Mornings only hunting.
Entire Area (including Buffalo Lake Compartment): Saturdays and Sundays of the Early Teal season and Saturdays and the last Sunday of each split of the South Zone Duck season.
Buffalo Lake Compartment Only: Additional hunting is allowed by on-site registration on Tuesdays and Thursdays of the Early Teal and South Zone Duck seasons. Hunters may enter the Buffalo Lake compartment beginning at 4:00 a.m. Hunters must park along the roadway in the designated numbered parking area for the numbered hunt site used.
Dove, Geese, Coots, Snipe, Rail, and Gallinule: May be taken during the waterfowl hunts provided the seasons are open for these species.
Fishing: Bank fishing is permitted during daylight hours at sites on bayous and rivers accessible by boat. Fishing is not allowed within interior lakes or ponds. Bank fishermen, 17 years of age and older, are required to possess a valid APH or LPU Permit.
Means Restriction: Shotguns with non-toxic shot are the only firearms allowed.

SPECIAL REGULATIONS: HUNTERS MUST BE CHECKED OUT AND EXIT BY NOON. HUNT PARTY SIZE IS LIMITED TO 5 INDIVIDUALS. All hunters must check-in and check-out through the manned check station. Gates open 2 hours before legal shooting time. Admittance to the hunt area ends 30 minutes before legal shooting time. Boats are allowed for waterfowl hunting only and must be hand launched and only electric motors allowed. No trailers. The use of airboats within the WMA is prohibited. Scouting for waterfowl hunting may be conducted the day before the start of the teal season and each split of the duck season for the Buffalo Lake Compartment. No open fires allowed. Anything damaging, defacing or covering numbered hunt site, parking or trail markers is prohibited.

SPECIAL SEASON
Youth and Veteran/Active-Duty Military Only Waterfowl (Buffalo Lake Compartment Only): See TPWD Outdoor Annual for Special Season information and regulations. Hunters may enter the Buffalo Lake compartment beginning at 4:00 a.m. Hunters must park along the roadway in the designated numbered parking area for the numbered hunt site used. Hunters must exit the area by noon.
Guadalupe Delta WMA
Units #723 & #724
2,146 total acres

Guadalupe Delta WMA
Units #723 & #724
2,146 total acres

Note: Hunting parties may access Townsend Bayou and Goose Roost Lake via boat but must walk to hunt areas in the Hynes Bay and Guadalupe River Units (Zone B) only - no boat access to ponds containing designated hunt sites. Temporary closures may be made by the department if current conditions warrant and will be identified by signs and barricades. Please call 361/552-8637 for more information.

LEGAL GAME • 2023-2024
OSR Required Each Day

Dove:
Special White-winged Dove days: Each day of Special White-winged Dove Days. Afternoon hunting only. Shooting hours are from noon to sunset.

Regular Dove Season: Each day of South Zone Dove season. Hunting is permitted inside dove hunting areas only. Shotguns with non-toxic shot only.

Waterfowl: Shooting hours end at noon. All waterfowl hunters must exit by noon. Hunting is allowed each day of the Early Teal, South Zone Duck and Eastern Zone Goose seasons (including any Special Conservation season).

Rails, Gallinule, and Snipe: Non-toxic shot only. May be taken only on waterfowl hunt dates that occur during the open seasons for these species.

Feral Hog: (Guadalupe Bay Unit #724 only) Feb. 1-May 31. Hunting is permitted inside designated hunt sites only. Shotguns with buckshot and archery equipment are the only legal means that may be used for feral hog hunts. Hunter orange must be worn while feral hog hunting.

Bank fishing is permitted during daylight hours at sites on bayous and rivers accessible by boat.

Means Restriction: Shotguns with non-toxic shot are the only means that may be used or possessed during game bird hunts.

SPECIAL REGULATIONS: HUNT PARTY SIZE LIMITED TO 5 INDIVIDUALS. All persons using these units must read and obey all regulations posted at the information stations. Entrance on the property begins after 4:00 a.m. Scouting for waterfowl hunting may be conducted the day before the start of the teal season and each split of the duck season. Feral Hog hunters must exit 1 hour after sunset. Dove hunters are not required to park in designated parking areas but may not drive off of designated gravel roads. Waterfowl hunters must park in the designated numbered parking area for the numbered hunting site used. All hunters must possess a current APH Permit. Anglers 17 years and older must possess a current APH or LPU Permit. See Prohibited Acts for further restrictions. The use of airboats within the WMA is prohibited. No open fires allowed. Anything damaging, defacing or covering numbered hunt site, parking or trail markers is prohibited. No hunting allowed in the fenced in moist-soil units located in the Recommended Dove Hunting Area in Unit #724.
LEGAL GAME • 2023-2024

**Dove:**
- **Special Season:** Regular (daily) Permit: Sept. 1-3 and 8-10. Shooting hours are from noon to sunset.
- **Dove:** Regular (daily) Permit: Sept. 16-17, Sept. 23-24, and Sept. 30-Oct. 1.

**Means Restriction:** Shotguns are the only firearms that may be used or possessed during these hunts.

**SPECIAL REGULATIONS:** A Regular Permit (available at park Visitor’s Center) is required to participate during these hunts. Hunters may purchase the $20 Regular Permit at the park’s Visitor Center (entrance off New Carmen Ave.) or may use the APH Permit. The $20 Regular Permit fee is waived for persons possessing an APH Permit and for supervised minors. See Texas Parks and Wildlife Outdoor Annual for Dove regulations.

ON-SITE REGISTRATION FORMS AND eOSR

Public Hunting Lands

Some units in this booklet require on-site registration (OSR) for entry or participation in certain activities. The requirement of OSR is listed in the Legal Game Box for each hunt area. OSR forms are generally available at the registration station. See On-site Registration in the “Questions and Answers” section for more information.

Electronic On-Site Registration is a smartphone and web app available through the My Texas Hunt Harvest app: tpwd.texas.gov/myhunt that can be used to perform on-site registration on all dove and small game fields, select wildlife management areas, and Public Hunting Lands (PHLs). Please note that most WMAs and state parks require on-site registration to be performed using the area-specific paper forms only.

If the unit map in this booklet or the information station at the site displays this badge,

Electronic On-site Registration is available.

Your customer number is located on your hunting license, above your name.
SCHEDULE OF RECREATIONAL USE AND VISITATION OF PUBLIC HUNTING LANDS

September 1, 2023 through August 31, 2024

Recreational use is defined as any activity other than hunting or fishing. The following is a schedule of provisions for recreational visitation on certain units of public lands listed in this Map Booklet. The types of public visitation, access permit required, and on-site registration requirements are indicated for each unit. Recreational users are advised to check with the area for specific information on recreational activities. IMPORTANT: Public hunts may be in progress on these areas during times recreational access is allowed. You are advised to check the unit maps to determine hunt dates before you plan your visit. At times when hunting with firearms is authorized, all general users within the hunt area must meet established requirements for visibly wearing 400 square inches of hunter orange material with at least 144 square inches appearing on both chest and back and orange headwear.

APH = Annual Public Hunting Permit
LPU = Limited Public Use Permit
COE = U.S. Army Corps of Engineers
XX = No permit required of persons using only driving tours or nature trails.
USFS = U.S. Forest Service

NOTE: Individuals need have only one of the required permits for the specified area.
