Help Mr. Stingray find his fishy friend.

Start

Finish

Fill in the blank (Answers on the back).

1. I have big, strong claws that can crush your finger. What am I?

2. A _____ has an easy time catching his lunch. When he floats on his side, he looks like a log or a leaf floating in the water, and other fish are not afraid of him.
3. I have tentacles that allow me to catch food, and I feel soft and sticky. What am I? _____
4. I have big silver scales and can swim as fast as lightning. What am I? _____
5. I have lots of spots on my back, and I am a type of trout. What am I? _____
6. I am as flat as a pancake on the tank floor, hiding from all my tank mates. What am I?

7. I have whiskers like a cat, which I use to feel the ground, looking for something I can eat. What am I?

8. I hide in the rocks, and my skin is really a blue-gray color under my green slimy coating. What am I?

9. You can tell male and female _____ apart because the girls have red tips on their claws and the boys don't!
10. _____ carry their homes on their backs.
11. The _____ has a spot on its tail called a false eye.
