Fill in the blank (Answers on the back).

1. I have big, strong claws that can crush your finger. What am I?
   __________  __________

2. A ______________________ has an easy time catching his lunch.
   When he floats on his side, he looks like a log or a leaf floating in
   the water, and other fish are not afraid of him.

3. I have tentacles that allow me to catch food, and I feel soft and
   sticky. What am I?
   _____________________

4. I have big silver scales and can swim as fast as lightning.
   What am I?
   ____________________

5. I have lots of spots on my back, and I am a type of trout.
   What am I?
   _________________________________________

6. I am as flat as a pancake on the tank floor, hiding from all my
   tank mates. What am I?
   __________________________________________

7. I have whiskers like a cat, which I use to feel the ground, looking
   for something I can eat. What am I?
   __________________________________________

8. I hide in the rocks, and my skin is really a blue-gray color under
   my green slimy coating. What am I?
   __________________________________________

9. You can tell male and female _________________ apart because
   the girls have red tips on their claws and the boys don’t!

10. _________________ carry their homes on their backs.

11. The _________________ has a spot on its tail called a false eye.

Help Mr. Stingray find his fishy friend.
