WANTED

CAMP ROBBER

ALIAS: *Procyon lotor*,
Park Bandit, Raccoon

AVOID BEING A VICTIM

1. He has the uncanny ability to open ice chests, so lock them in your vehicle for maximum safety. He has also been known to chew through the sides of ice chests to get food.
2. Roll up vehicle windows all the way. He will attempt to get in even if it means tearing up your interior to do so.
3. Tents are easy. Do not place food in a tent. He will tear an opening to get in for food.
4. Take your garbage to the dumpster every night.
5. **Do not approach if sighted. He is armed with sharp teeth and will bite if provoked.**
