

# GEOCACHE CHALLENGE PASSPORT

## Welcome to the Texas State Parks Geocache Challenge!

Adventure and discovery await you as you find specially placed hidden items that reveal exciting facts and stories about Texas State Parks.

- We have hidden special geocaches in many state parks for you to find. Some parks may even have multiple geocaches. This passport page is your proof you found each cache, so keep it dry and clean, (we recommend you print this on card stock). Write down each coordinate (waypoint) on this sheet before leaving for the state park. Waypoints can be found at [www.texasstateparks.org/geocache](http://www.texasstateparks.org/geocache).
- You will find a logbook inside each cache. Sign your name, date and message for others to read. Each cache's logbook contains a description about a unique aspect of that park, and a question at the bottom. Use the description to answer the question, and write the answer on this passport. There will also be a special orienteering punch, which you should use to punch the black circle next to the park name. These two elements are your proof of finding the cache.
- There will also be small prizes and trinkets for trade. Be sure to bring something with you and trade for something of equal or lesser value. Some caches contain unique state park geocards which reveal exciting facts and stories about Texas State Parks – yours to keep! Please limit one card per person.

That's it! Continue searching for the rest of the caches in the Texas State Parks Geocache Challenge and other caches hidden in your state parks. Go to [www.geocaching.com](http://www.geocaching.com) to log your cache. Once you have found your first 10 caches, send your completed passport to:
