

Texas Parks & Wildlife Department  
Law Enforcement Division

# **Biennial Report for Small Unmanned Aircraft Systems Usage**

**January 1, 2017 – December 31, 2018**

## Texas Parks and Wildlife Department Law Enforcement Division 2017-2018 Small Unmanned Aircraft Systems Report

This document satisfies the reporting requirements as listed in Texas Government Code Sec. 423.008, relating to the reporting of unmanned aircraft systems operations by Texas law enforcement agencies.

The Texas Parks and Wildlife Department (TPWD) Law Enforcement Division Game Wardens and State Parks Division Police Officers operate Unmanned Aircraft Systems (UAS). All operators are FAA-licensed remote pilots. The TPWD UAS Program uses unmanned aircraft to accomplish TPWD Department and Division missions and goals of the conservation of natural resources and protection of human life and property.

Per current Texas Government Code Sec. 423.008:

- (a) Not earlier than January 1 and not later than January 15 of each odd-numbered year, each state law enforcement agency and each county or municipal law enforcement agency located in a county or municipality, as applicable, with a population greater than 150,000, that used or operated an unmanned aircraft during the preceding 24 months shall issue a written report to the governor, the lieutenant governor, and each member of the legislature and shall:
  - (1) retain the report for public viewing; and
  - (2) post the report on the law enforcement agency's publicly accessible website, if one exists.
- (b) The report must include:
  - (1) the number of times an unmanned aircraft was used, organized by date, time, location, and the types of incidents and types of justification for the use;
  - (2) the number of criminal investigations aided using an unmanned aircraft and a description of how the unmanned aircraft aided each investigation;
  - (3) the number of times an unmanned aircraft was used for a law enforcement operation other than a criminal investigation, the dates and locations of those operations, and a description of how the unmanned aircraft aided each operation;
  - (4) the type of information collected on an individual, residence, property, or area that was not the subject of a law enforcement operation and the frequency of the collection of this information; and
  - (5) the total cost of acquiring, maintaining, repairing, and operating or otherwise using each unmanned aircraft for the preceding 24 months.

The following table contains the required information, as logged and entered by each TPWD UAS pilot, from all 2017-2018 TPWD law enforcement UAS operations, followed by the total cost of acquiring, maintaining, repairing, and operating or otherwise using each unmanned aircraft for the preceding 24 months.

DATE AND TIME	LOCATION	INCIDENT/JUSTIFICATION FOR USE	DESCRIPTION/HOW UAS AIDED OPERATION OR CRIMINAL INVESTIGATION	LIST INFORMATION COLLECTED ON AN INDIVIDUAL, RESIDENCE, PROPERTY, OR AREA THAT WAS NOT THE SUBJECT OF A LAW ENFORCEMENT OPERATION AND THE FREQUENCY OF THE COLLECTION OF THIS INFORMATION
